In all seriousness, this small boat and engine will be among the biggest and fastest craft on the local lakes. The state lakes around here are so small that if you had a fast boat, you would have to go out of state to enjoy it. My wife and I just want to drive around the lake and sight see. My grown sons might want to ride a tube or a knee board.

I saw one on YouTube that makes this project look like a walk in the park. The boat was called The Grateful Tuna. It was built from only the bottom and bits of the sides of the hull that were all that remained after the boat was beached and burned. They towed the bottom to a nearby boat yard and proceeded to construct the entire boat.
