While the formal definition of divorce may be concise and straightforward (legal termination of a marital union, dissolving bonds of matrimony between parties), the effects are anything but, particularly when children are involved. The Americans for Divorce Reform estimates that "40 or possibly even 50 percent of marriages will end in divorce if current trends continue." Outside the U.S., divorce rates have markedly increased across developed countries. Divorce and its effects are a significant social factor in our culture and others. It might be said that a whole "divorce industry" has been constructed, with divorce lawyers and mediators, family counselors, support groups, etc. As King Henry VIII's divorces showed, divorce has not always been easy or accepted. In some countries, divorce is not permitted and even in Europe, countries such as Spain, Italy, Portugal, and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century. This multi-disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology, social and legal history, developmental and clinical psychology, and religion, all through a lens of cultural sociology. Features: 550 signed entries, A-to-Z, fill 3 volumes (1,500 pages) in print and electronic formats, offering the most detailed reference work available on issues related to

divorce, both in the U.S. and globally. Cross-References and Further Readings guide readers to additional resources. A Chronology provides students with context via a historical perspective of divorce. In the electronic version, the comprehensive Index combines with Cross-References and thematic Reader's Guide themes to provide convenient search-and-browse capabilities. For state and nation entries, uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations. Appendices provide further annotated sources of data and statistics.

Written by a new generation of recognized experts in pastoral care, these brief, foundational books offer practical advice to pastors on the most frequent dilemmas of pastoral care and counseling.

This book examines the issues surrounding the process of forming the marriage bond, and is "a delightful mix of sophisticated theology, solid family systems theory, and clear practical guidelines for pastors, all illustrated by numerous wonderful stories" (Charles W. Taylor, professor, Church Divinity School of the Pacific, Berkeley, California).

This encyclopedic volume brings clarity and focus to a multitude of family issues. The expert contributors deal with practical and important questions, thereby providing information of significant usefulness to social workers, therapists, lawyers, ministers, and health-care professionals. Those who work with families will learn new techniques and see their efforts in a larger context. An extensive directory of family resources provides the reader with helpful and practical information. The Family, Culture, and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family's revitalization.

Vatican Council II. Rather than perceiving marriage as a contract whose primary purpose was the procreation of children, the council spoke of marriage as an intimate partnership of life and love. Then, recapturing an earlier tradition, it went on to describe the family as a domestic church." "In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology." "Part One reflects on the sacramentality of marriage and on the family as a church of the home. Part Two examines the pastoral implications this has for marital and family ministry and spirituality."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved
