A Prisoner Of Birth

A Prisoner of Birth is a mystery novel by English author Jeffrey Archer, first published on 6 March 2008 by Macmillan. This book is a contemporary retelling of Dumas's 1844 novel The Count of Monte Cristo. The novel saw Archer return to the first place in the fiction best-seller list for the first time in a decade.

A Prisoner of Birth - Wikipedia

A Prisoner of Birth is definitely one of those books. East End mechanic Danny Cartwright finds himself unjustly accused of a terrible crime, on the very night he is out celebrating his forthcoming nuptials. An unbelievable turn of events will soon change his life forever. I will not spoil it by revealing more, but I cannot praise this book enough, if I could I would have given it six stars ...

A Prisoner of Birth: Amazon.co.uk: Archer, Jeffrey ...

Jeffrey was the winner of the Prix Polar International Prize for the best international thriller of the year, for his novel A Prisoner of Birth in Cognac, France, on Friday 16 October 2009. The prestigious awards have been running for over twelve years, and previous winners include Ben Elton and Camilla Läckberg.

A Prisoner of Birth - Jeffrey Archer

'A Prisoner Of Birth' by Jeffrey Archer is a modern retelling of the classic 'The Count Of Monte Christo'. The book follows story of a man who is wrongly convicted and now willing to extract revenge. Sadly I have to say that I found this book the weakest among the books I read by Archer.

A man framed for the murder of his best friend seeks revenge against the four men who put him in Belmarsh prison, the highest-security jail in the land, from where no inmate has ever escaped.

International bestseller and master storyteller Jeffrey Archer is at the very top of his game in a story of fate and fortune, redemption and revenge. If Danny Cartwright had proposed to Beth Wilson the day before, or the day after, he would not have been arrested and charged with the murder of his best friend. But when the four prosecution witnesses are a barrister, a popular actor, an aristocrat, and the youngest partner in an established firm's history, who is going to believe your side of the story? Danny is sentenced to twenty-two years and sent to Belmarsh prison, the highest-security jail in the land, from where no inmate has ever escaped. However, Spencer Craig, Lawrence Davenport, Gerald Payne, and Toby Mortimer all underestimate Danny's determination to seek revenge, and Beth's relentless quest to pursue justice, which ends up with all four fighting for their lives. Thus begins Jeffrey Archer's most powerful novel since Kane and Abel, with a cast of characters that will remain with you long after you've turned the last page. And if that is not enough, prepare for an ending that will shock even the most ardent of Archer's fans.

With a twisting plot of false accusation and revenge, A Prisoner of Birth is an exhilarating novel from bestselling author, Jeffrey Archer. If Danny Cartwright had proposed to Beth Wilson the day before, or the day after, he would not have been arrested and charged with the murder of his best friend. And when the four prosecution witnesses are a barrister, a popular actor, an aristocrat and the youngest partner in an established firm's history, who is going to believe his side of the story. Danny is sentenced to twenty-two years and is sent to Belmarsh prison, the highest security jail in the land, from where no inmate has ever escaped. But everyone has underestimated Danny's determination to seek revenge and Beth's relentless quest to win justice. . .

Danny Cartwright and Spencer Craig were born on different sides of the track. Danny, an East End Cockney, leaves Clement Attlee Comprehensive School at the age of 15 to take up a job at a local garage. He falls in love with Beth, the boss's daughter, and asks her to marry him. Spencer Craig resides in the West End. A graduate of an English public school and Cambridge University. After leaving university he becomes a criminal barrister and is soon tipped to be the youngest Queen's Counsel of his generation. Danny and Beth travel up to the West End to celebrate their engagement. They end the evening in a wine bar where Spencer Craig is also celebrating - his 30th birthday, along with a select group of university chums. Their lives will never be the same again. For, an hour later, one of them is arrested for murder, while the other ends up as the Prosecution's chief witness in an Old Bailey trial.

From the internationally bestselling author Jeffrey Archer comes Only Time Will Tell, the first in the ambitious Clifton Chronicles series that tells the story of one family across generations, across oceans, from heartbreak to triumph. The epic tale of Harry Clifton's life begins in 1920, with the words "I was told that my father was killed in the war." A dock worker in Bristol, Harry never knew his father, but he learns about life on the docks from his uncle, who expects Harry to join him at the shipyard once he's left school. But then an unexpected gift wins him a scholarship to an exclusive boys' school, and his life will never be the same again. As he enters into adulthood, Harry finally learns how his father really died, but the awful truth only leads him to question, was he even his father? Is he the son of Arthur Clifton, a stevedore who spent his whole life on the docks, or the firstborn son of a scion of West Country society, whose family owns a shipping line? This introductory novel in Archer's engrossing series The Clifton Chronicles includes a cast of colorful characters and takes us from the ravages of the Great War to the outbreak of the Second World War, when Harry must decide whether to take up a place at Oxford or join the navy and go to war with Hitler's Germany. From the docks of working-class England to the bustling streets of 1940 New York City, Only Time Will Tell takes readers on a journey through to future volumes, which will bring to life one hundred years of recent history to reveal a family story that neither the reader nor Harry Clifton himself could ever have imagined.

Growing up in the slums of East End London, Charlie Trumper dreams of someday running his grandfather's fruit and vegetable barrow. That day comes suddenly when his grandfather dies leaving him the floundering business. With the help of Becky Salmon, an enterprising young woman, Charlie sets out to make a name for himself as "The Honest Trader". But the brutal onset of World War I takes Charlie far from home and into the path of a dangerous enemy whose legacy of evil follows Charlie and his family for generations. Encompassing three continents and spanning over sixty years, As the Crow Flies brings to life a magnificent tale of one man's rise from rags to riches set against the backdrop of a changing century.

In this brilliant work, the most influential philosopher since Sartre suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

The sun is shining through the bars of my window on what must be a glorious summer day. I've been incarcerated in a cell five paces by three for twelve and a half hours, and will not be let out again until midday; eighteen and a half hours of solitary confinement. There is a child of seventeen in the cell below me who has been charged with shoplifting - his first offence, not even convicted - and he is being locked up for eighteen and a half hours, unable to speak to anyone. This is Great Britain in the twenty-first century, not Turkey, not Nigeria, not Kosovo, not Britain. On Thursday 19 July 2001, after a perjury trial lasting seven weeks, Jeffrey Archer was sentenced to four years in jail. He was to spend the first twenty-two days and fourteen hours in HMP Belmarsh, a double A-Category high-security prison in South London, which houses some of Britain's most violent criminals. Hell, the first volume in Archer's The Prison Diaries, is the author's daily record of the time he spent there.

NEW YORK TIMES BESTSELLING author Jeffrey Archer-returns with a powerful tale of twins separated by fate and reunited by destiny. In Hartford, Connecticut, in the late 1940s, a set of twins is parted at birth-not by accident. Nat Cartwright goes home with his parents, a schoolteacher and an insurance salesman, while his twin brother begins his days as Fletcher Davenport, son of a millionaire and his society wife. During the 1950s and 1960s, the two brothers grow up apart, following similar paths that take them in different directions. Nat leaves college at the University of Connecticut to serve in Vietnam, then finishes school, earns his MBA, and becomes a successful currency dealer. Fletcher, meanwhile, graduates from Yale University with a bachelor's and a law degree, going on to distinguish himself as a criminal defense lawyer. At various times in their lives, both men are confronted with challenges and obstacles, tragedy and betrayal, loss and hardship, before they both decide to run for governor, unaware they are brothers.... In the tradition of Jeffrey Archer's most popular books, Sons of Fortune is as much a chronicle of a nation in transition as it is the story of the making of these two men -and how they eventually discover the truth-and its tragic consequences.

Kane and Able: William Lowell Kane and Abel Rosnovski, one the son of a Boston millionaire, the other a penniless Polish immigrant. Two men, born on the same day, on opposite sides of the world, their paths destined to cross in their ruthless struggle to build a fortune. An uninputdownable story, spanning sixty years, of two powerful men linked by an all-consuming hatred, brought together by fate to save—and finally destroy—each other. Sons of Fortune: #1 New York Times bestselling author Jeffrey Archer has mesmerized thousands of readers over the years with his riveting novels and unforgettable characters. Now he returns with another remarkable novel that proves he is still one of the most gifted writers of all time... In hushed maternity ward, an infant dies, while twin brothers thrive. By morning, one mother is told that her only child is doing fine. Another is told that she has tragically lost one of her sons... Twins separated at birth, Nathaniel Cartwright and Fletcher Davenport have been raised in different worlds, and have both thrived among the best and brightest of their generation. In an era of violent change, free love, and blind ambition, Nat goes off to war, while Fletcher enters political combat. With each choice they make--in love and career, through tragedy and triumph--their lives mirror one another...until a high-profile murder case brings them together. Until a high-stakes political battle turns them into rivals. Until a decades-old secret is exposed...and two powerful men must confront their bonds of fate and fortune.
