A wholly revised and updated edition of the book widely read by professional counselors as well as those who do the work of counselors, such as ministers, teachers, and nurses.

Equips the upcoming generation of addiction counselors with crucial knowledge to skillfully treat current and future addictions Grounded in leading-edge, evidence-based research, this hands-on text applies a step-by-step approach to addictions counseling. This book encompasses assessment, diagnosis, and treatment planning; case management; and relapse prevention, with an incisive focus on process addictions and co-occurring disorders. The text covers all essential topics as outlined in the gold standard SAMSHA Counselor Training Manual. Included are detailed guidelines on how to write succinct treatment plans and conduct effective client sessions; case studies; role-playing exercises; and clinical applications to assessment and diagnosis, treatment planning, and case management. Counselor Perspectives--interviews with experienced clinicians working with varied populations throughout the country--offer the wisdom of those who have been there. Critical topics unique to the book include the role of neuroscience in addiction treatment, relapse prevention, and advocacy. In addition, the text offers specific chapters on process addictions and co-occurring disorders as well as a separate chapter on multicultural counseling covering gender, racial, ethnic, sexual orientation, age, religion, and disability issues. It is also distinguished by an abundance of downloadable forms and documents, including screening instruments, treatment plan format templates, treatment plan examples, biopsychosocial assessment forms, informed consent forms, confidentiality forms, case management forms, and more. Pedagogical elements to help learners process and apply concepts include key terms, learning activities, discussion questions, recommended readings/resources and chapter summaries. Faculty aides include an instructor's manual with sample syllabi, CACREP mapping tools, test bank, and PowerPoint slides. This essential resource will be valued as a primary textbook for any course that focuses on addiction counseling and treatment. Purchase includes digital access for use on most mobile devices or computers. Key Features: Describes a variety of etiological models and how they become a means of assessing biopsychosocial risk factors Delivers step-by-step guidelines on how to write concise treatment plans and for conducting effective treatment sessions Devotes a chapter to motivational interviewing to promote willingness to change Includes cutting-edge research pertaining to neuroscience and its applications and evidence-based treatment practices Provides separate chapter on multicultural counseling and substance use disorders among people of diverse races, ethnicities, genders, class, ages, and spirituality Offers real-world insights with "Notes from the Field" feature Facilitates practical application through role play exercises, treatment technique and assessment case examples, biopsychosocial assessment guidelines, how to provide client feedback, and more Includes multiple digital downloadable tools

Theory and Practice of Addiction Counseling by Pamela S. Lassiter and John R. Culbreth brings together contemporary theories of addiction and helps readers connect those theories to practice using a common multicultural case study. Theories covered include motivational interviewing, moral theory, developmental theory, cognitive behavioral theories, attachment theory, and sociological theory. Each chapter focuses on a single theory, describing its basic tenets,

philosophical underpinnings, key concepts, and strengths and weaknesses. Each chapter also shows how practitioners using the theory would respond to a common case study, giving readers the opportunity to compare how the different theoretical approaches are applied to client situations. A final chapter discusses approaches to relapse prevention.

Winner of the 2020 Canadian Counselling and Psychotherapy Association (CCPA) Counselling Book Award Enlightening and practical, *Addictions Counseling Today* invites students into the heart of addictive thinking, offering first-person accounts of what it is like to experience different addictions. The text covers the range of addictions from alcohol, drug abuse, and nicotine to various process addictions, including sex, internet, gaming, social media, and gambling. Also included are the various theories and models of addiction, with a unique chapter on the neuroscience of addiction. Focusing on the new DSM-V classifications for addiction with an emphasis on CACREP and treatment, this provocative, contemporary text is an essential reference for both students and practitioners wanting to gain a deeper understanding of those with addiction. Learn why teaching addictions is changing and how to adapt your course by watching Kevin G. Alderson's Ph.D. webinar entitled *The Pandemic Addiction Volcano* here. Online Resources Free PowerPoint® slides with video for instructors are available with this text. Test bank questions will be available in August 2020. Contact the author to learn more.

For students taking courses in substance abuse and addictions counseling. A practical collection of tools and strategies for prospective addictions counselors that includes a solid foundation of research, theory, and history. Practical and comprehensive, *Foundations of Addiction Counseling* explores an array of techniques and skills that a new practitioner will need in the real world while providing a thorough review of the research, theory, and history of addiction counseling. With chapters written by expert scholars, this text covers many topics in-depth often ignored by other comparable books, such as professional issues in addictions counseling, the assessment of client strengths, gender issues in substance abuse, working in rehabilitation centers, and working with clients with disabilities. The second edition of this unique text offers prospective counselors the tools and strategies they will need for working with general and special populations, including assessment tools, strategies for outpatient and inpatient treatment, information about maintenance and relapse prevention, and counseling strategies for couples, families, children, adolescents, college students, and recovering addicts. The revised edition includes expanded discussions on a number of topics, new case studies, and completely updated resources and web references.

The *Addiction Counselor's Desk Reference* is a compilation of information about the full spectrum of addictive disorders, their consequences, and treatment. This text includes definitions and illustrations of addiction-related terminology, addictive disorders and behaviors, descriptions of treatment models and techniques, as well as lists of websites, government resources, and treatment centers.

It is a wise, flexible, and openminded guide that pulls together the contemporary knowledge about substance abuse into one source. --Dr. William Van Ornum

FULLY REVISED, COMPREHENSIVE, AND PRACTICAL BOOK OF THE THEORY AND PRACTICE OF ADDICTION COUNSELING Learning the Language of Addiction Counseling, Fifth Edition introduces mental health professionals and students to the field of addiction counseling and helps them acquire the knowledge and develop the skills needed to counsel individuals who are caught in the destructive cycle of addiction. Drawing from her years of experience in working in the addiction counseling field as a counselor, trainer and educator, Geri Miller provides an engaging, balanced overview of the major theoretical foundations and clinical best practices in the field. Fully updated, the fifth edition offers a compassionate accountability, practice-oriented counseling framework and features: A research-based clinical application approach to addiction counseling that practitioners can turn to for fundamental, practical, clinical guidelines. Revised chapters that reflect important changes in research and practice, including new assessment instruments and new and expanded treatments. Additional case studies, interactive exercises, key points and other resources that facilitate the integration of knowledge into practice. A new chapter of "Supervision and Mentoring". Revised "Personal Reflections" section at the beginning of each chapter that provide an invaluable, unique perspective on the author's view of addiction counseling. Updated and expanded Instructor Resources that include brief video clips, PowerPoint slides, test bank questions for each chapter, and sample syllabi. From assessment and diagnosis of addiction to preparing for certification and licensure as an addiction counseling professional, this comprehensive book covers essential components required to work as a professional in the field of addiction counseling.

Becoming an Addictions Counselor, Fourth Edition provides evidence-based findings, cutting-edge treatment techniques, and a focus on critical thinking to show future counselors how to respond to clients' needs rather than impose "cookie-cutter" routines.

Step by step, detailed instructions how to be certified, get office space, marketing, billing, appearance, rapport, legal protection...All the details, big and small. A lucrative, fulfilling career without a degree and very little start-up money. Private counseling: It's about time.
