In the People's Republic of China, the government had instated affirmative action policies for ethnic minorities called Youhui zhengce or Shaoshu minzu jiafen when it began in 1949 and still had impact until today. The policies giving preferential treatment to ethnic minorities in China. For example, minority ethnic groups in China were not subjected to its well-publicized one-child policy. Three principles are the basis for the policy: equality for national minorities, territorial autonomy, and

Affirmative action in China - Wikipedia

For example, minority ethnic groups in China were not subjected to its well-publicized one-child policy. Three principles are the basis for the policy: equality for national minorities, territorial autonomy, and equality for all languages and cultures. The Chinese government has been scaling back on affirmative action since 2019.
