Agents James and Ford stormed in, and then out of her life within a few hours...but they still haunt her dreams and fuel all of her sexual fantasies. \*\*\* Walking away from Colbie was the hardest thing either Liam or Bode had ever done. Long before Jay McClintock and Brad Garza were music industry royalty, Jay was an ambitious intern and Brad was an awkward farm boy. But the ladder to the top was anything but smooth and anything but legal. And their relationship? That was anything but HR safe. Getting ahead in the cut-throat world of the Los Angeles music industry means making some dark deals, and Jay was so eager to make his client (and crush) shine, that he was ready to make them all. As some bold moves have Brad ' s popularity taking off into the stratosphere, Jay is digging himself deeper and deeper into the hole. If only he had known that the shovel belonged to the same man who ran his father off the road all those years ago. Second Chance is the second book in the Fighting Chance series, following Jay McClintock ' s career from an unlikely intern to a star writer, Brad Garza ' s career from a humble farmer to a musician for the ages, and the trials that brought them together and tore them apart. Welcome to the new world order-where the villains have become the heroes. ERIC 'WRAITH' SHAW Once upon a time... Yeah, no. Let's stop right there. This isn't a fairytale. I'm not exactly Prince Charming. And I haven't forgotten the day Jamie Ellis left town in handcuffs. But that feels like lifetimes ago. My high school crush is all grown up and she's married to the man who's holding me prisoner. Drugged and tortured, I've become a monster who'll stop at nothing to rip David Crane's world apart. JAMIE ELLIS When I left Mayhem at sixteen, a piece of my heart stayed behind with the charismatic bad-boy I've loved since kindergarten. But I'm a product of a life gone wrong, and I married David hoping for a better future. Now that I know the depth of my husband's depravity, I'll risk everything to ruin his carefully crafted empire-because if Wraith and I want our happily ever after, we're going to have to fight for it... MASTERS OF MAYHEM: BOOK ONE Wraith is a complete standalone in the Masters of Mayhem series.

"Readers won't want to leave the heartwarming stories of Honeymoon Harbor."—Publishers Weekly
Welcome back to Honeymoon Harbor, where the majestic scenery of this small coastal town is second only to the legendary romances that have built the community... Pro quarterback Burke Mannion is at a crossroads in his career—nearing retirement age, he wonders if it ' s time to hang up his cleats, or keep pushing on and head to training camp in a few short weeks. The decision is delayed by an upsetting phone call from his brother, and without blinking, Burke packs for Honeymoon Harbor and the home he hasn ' t seen in years. The last person he expects to see when he arrives is the woman he had once thought might be the one—the same woman who had broken up with him by text as she left New York. Having heard Burke ' s stories about Honeymoon Harbor, Lily Fletcher never really believed there was any place as idyllic as he ' d made it sound. But as much as she ' s tried to keep her past in the past by avoiding personal connections, deep down she secretly always hoped she ' d see Burke again. As Lily and Burke fall back into their unresolved feelings for one another, she knows she has to come clean about who she really is as he struggles with the choice to go back to the celebrity life he knows or embrace the one he ' s beginning to think could be the true path to happiness. Bonus Novella! Just One Look
When Honeymoon Harbor holds a local bachelor auction at the annual Labor Day boat festival, Cam Montgomery needs to make sure his best friend, Megan Larson, wins him as a date. Bishop Chance and his girlfriend Mandy must join Gambit, who claims to be Bishop's brother, and return to Homeworld to end the war that broke out after he left.

The day of my best friend ' s wedding, I ' m the one rocking the strapless red taffeta and chef ' s apron ensemble, running on zero sleep. Being both the event caterer and a bridesmaid is crazy, I know. But, I ' m a pro. This is my seventh wedding after all—as bridesmaid, that is. Pretty sure that ' s some kind of town record. Still, no amount of my trademark meticulous planning could ' ve possibly prepared me to see him again. The prodigal Doctor Dreamy himself. Mason Stewart. My first (and only) love who disappeared without a word literally the day after proposing to me. What the heck is he doing back in Bliss River? And how is it at all fair that he looks this good? Also, holy crap, why is he coming this way? \* \* \* There she is. Somehow even more beautiful than I remember. This overdue apology is one I ' ve rehearsed since the day I left, pulverized by my own family, positive I'd never be good enough for the only girl I've ever loved. Took a lot of both time and therapy, but I finally managed to fix what they broke. And now I ' m here to repair what I broke. I know Lark. She ' ll see this second chance I ' m hoping for as a no-strings fling so we can each get closure and move on. Right. Like it ' s just that easy. You don ' t move on from a woman like Lark. And I ' m pretty sure a clothing-optional arrangement will make that feat infinitely more impossible. Still, it ' s a start—a way for Lark to see the man I ' ve become. A man who im ' t looking for a fling, but rather, matching rings, kids, the whole nine yards. Previously titled Dating Dr. Dreamy. Same swoony, feel-good story, just with a fresh title and cover makeover. The Bliss River Series - Falling for the Fling (Lark & Mason) - Falling for the Ex (Aria & Nash) - Falling for the Bad Boy (Melody & Nick)

For centuries the New Testament book of Hebrews has been interpreted as though it had been written for Jewish Christians in danger of lapsing back into legalism and religious ceremony. This view is now being challenged by current scholarship. Rather than attacking the Old Testament and Judaism, the author of Hebrews praises the person and work of Jesus through a series of comparisons on which he bases exhortations and warnings to the present people of God. Hebrews urges God's people to learn from past mistakes and failures, and to take up the challenge in difficult times to live faithfully in the new relationship to God through Jesus, God's Son. In The Second Chance for God's People: Messages from Hebrews, Quaker pastor and professor Timothy W. Seid encourages today's church to respond to the challenge of Hebrews: first individually by progressing in spiritual and moral maturity, and second collectively by being God's faithful people in the world. In the light of ancient Greek language and rhetoric after having extensively researched Hebrews, Seid interprets the text of Hebrews section by section in an accessible and nontechnical way while also illustrating and applying the meaning of the text for the contemporary church.
