Use the following steps to train your cat to start using a litter box: Place your cat and a clean litter box (the kind without a cover) in a confined area, like a room in your house. Be sure your cat has plenty of food and clean water. If your cat [goes] outside of the box, place the waste in the litter box.

Basic Cat Training Tips for Beginners | VetBabble

Basic cat care - food and water. Cats don't survive long without eating or drinking. Their basic requirements are: Basic essentials - food. The purrfect meal is a mouse. Of course, you don't have to feed your cats on mice! Cats are obligate carnivores, though, which means they must eat meat. Commercial cat foods aim to copy the nutrients in a mouse to provide cats with all they need.

Basic Cat Care | Taking Care of a Pet Cat

This book is a very handy beginner's guide to cats and their care. I found the section about basic training to be particularly helpful, too often people assume cats can't be trained and it's not true! Everyone should know the foundations of their pet's behaviors and needs. This book definitely delivers.
