Or King James
S Instructions
To His Dearest

James Stuart---King
James VI of
Scotland---wrote
Basilikon Doron
(`Kingly Gift") for his
then six-year-old son,
Henry. The book was
meant to distill all of
James' knowledge about
king-craft, both practical
and theoretical, into a

Online Library

Basilikon Doron

brief primer. In 1599 James had seven copies printed, which he entrusted to reliable servants to be given to Henry when he was old enough, even if James did not survive so long---a reasonable precaution, given the short average lifespans of Elizabethan men, particularly those involved in politics.

Online Library Basilikon Doron

Unfortunately the originally intended audience, Prince Henry, died in 1616, before he could inherit his father's thrones or read the book. Generations of other readers, however, have enjoyed this fascinating glimpse into the mind of an often misunderstood monarch. This edition features modernized spelling and

Online Library Basilikon Doron

adds copious front-matter and notes, including translations of all non-English words and quotations. Print editions include a full index.

Online Library Basilikon Doron

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they

the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

James VI and I united the crowns of England and Scotland. His books are fundamental sources of the principles which

Online Library Basilikon Doron

underlay the union. In particular, his Basilikon Doron was a best-seller in England and circulated widely on the Continent. Among the most important and influential British writings of their period, the king's works shed light on the political climate of Shakespeare's England and the intellectual background

Online Library

Basilikon Doron

to the civil wars which afflicted Britain in the mid-seventeenth century. James' political philosophy was a moderated absolutism, with an emphasis on the monarch's duty to rule according to law and the public good. Locke quoted his speech to parliament of 1610 approvingly, and Hobbes likewise praised

Online Library Basilikon Doron

'our most wise king'.

This edition is the first to draw on all the early texts of James' books, with an introduction setting them in their historical context.
