No Man's Land had to end at some point, and Gotham City had to eventually be restored. This volume marks the conclusion of a heavy, lengthy, and intense crossover event for Batman, and it kind of feels like the weight of this long run took its toll on the effectiveness of the ending.

This is volume 5 in the No Man's Land story arc in the Batman universe. I highly recommend getting this if you have the OLD versions and need the 5th volume to complete your collection. Batman: No Man's Land (Volume) - Comic Vine

This third volume of No Man's Land continues the saga as Batman and his allies sustain their efforts to retake and restore Gotham City. Batman: No Man's Land, Vol. 1 by Bob Gale

This volume features a more disparate group of stories than Batman: No Man's Land, Vol. 1. Some of the stories skip around in the chronology of the events of Cataclysm and No Man's Land. There's still lots to like though. Again, Batman is used best when he's not the main focus of the story.
