Cornelia Brown surprised herself when she was gripped by the sudden, inescapable desire to move to the suburbs with her husband. Her mettle is quickly tested by her impeccably dressed, overly judgmental neighbor Piper Truitt—the embodiment of everything Cornelia feared she'd find in suburbia. With Lake, another recent arrival, Cornelia shares a love of literature and old movies—as she forms an instant bond with this warm yet elusive woman and her perceptive, brilliant young son Dev. Acclaimed bestselling author Marisa de los Santos's literary talents shine in the complex interactions she creates between three unforgettable women, deftly entangling her characters in a web of trust, betrayal, love, and loss that challenges them in ways they never imagined.

"Marisa de los Santos's *Belong to Me* is my favorite discovery of the past years: a terrific page-turner that's also poignant, funny, surprising and deeply heartfelt." —Harlan Coben "Complex, engaging, and surprisingly moving." —Boston Globe The sensational New York Times bestseller from Marisa de los Santos, *Belong to Me* is a gift for readers, an enchanting, luminous novel about the accidents, both big and small, that affect our choice of friend, lover, and spouse. A story centered around three very different suburban neighbors and what it truly means to "belong" to someone, this eye-opening, unforgettable book is the perfect book club selection—beautifully written, smart and sophisticated women's fiction that invites discussion as it touches the heart—and the ideal companion to de los Santos's previous blockbuster, *Love Walked In*.

Regina Clausen was forty-three, successful in her career but insecure and unfulfilled in her personal life. Travelling alone on the luxury liner Gabrielle, she disembarked in Hong Kong saying she would rejoin the ship when it docked in Japan. She was never seen again. . . Five years later, radio presenter Susan Chandler does a series about vanishing women on her radio talk show. When a caller, who refuses to identify herself, tells of meeting a man on a cruise who gave her a ring inscribed 'You Belong to Me', but then disappeared when she refused to leave the ship with him, she thinks little of it. But then Regina's mother appears at Susan's office with a ring bearing the same inscription which was found amongst her daughter's belongings, and Susan begins to suspect that they are on the trail of something dangerously sinister...

A heartwarming story of the unconditional love that parents (both humans as well as animals) have for their children. The simple text of love, caring and protection is accompanied by adorable illustrations of animals and dinosaurs that hug, help, and protect a human child. The comforting text is ideal for a soothing bedtime story. This beautiful book is a perfect gift for parents with a newborn baby.

A Baltimore detective and a medical examiner must work together when the witnesses of a long-ago crime become the victims of a deranged killer in this gripping romantic suspense novel. Baltimore city Homicide Detective JD Fitzpatrick has seen a lot of horrific violence, both as a cop and during his deployment in Afghanistan, but nothing like the trail of tortured bodies that are turning up throughout the city. He's up against a brutal killer with a very personal vendetta. And now JD is beginning to suspect that his medical examiner may be shielding some crucial evidence linked to the case. Medical Examiner Dr. Lucy Trask is intrigued by JD's compassion, but she isn't about to mix work with pleasure. Not while there's a ruthless killer on the loose. And definitely not while she's keeping a dark secret that could connect her to these vicious killings—and put her next on the killer's hit list...

Acclaimed book, now in English and Spanish, helps adults teach children about abuse, getting help, and how to set boundaries to stay safe. Without being taught about body boundaries, a child may be too young to understand when abuse is happening—or that it's wrong. Now available in a bilingual English-Spanish edition, *My Body Belongs to Me /Mi cuerpo me pertenece* offers a tool parents, teachers, and counselors can use to sensitively share and discuss the topic of sexual abuse. Through simple language and colorful illustrations, this straightforward, gentle book guides young children to understand that their private parts belong to them alone. The overriding message is that if someone touches your private parts, tell your mom, your dad, your teacher, or another safe adult. In a country where, according to estimates from the CDC, one in four girls and one in six boys will be sexually abused before age eighteen, this book is an essential abuse-prevention resource to help children feel, be, and stay safe. Using her experience working as a New York City prosecutor of child abuse and sex crimes, Jill Starishevsky has crafted a book that addresses body boundaries in a way that kids can understand and that doesn't seem scary or heavy-handed. Includes, in both English and Spanish, a letter to adults at the beginning and a section in the back with suggestions and resources for discussing the book with children.

When a deranged fan threatens to kill a beautiful science fiction writer, only her ex-husband can save her... and maybe recapture her heart.

"A new thriller by Colin Harrison about a man who collects ancient maps of New York and his beautiful, married neighbor whose old lover returns from the past"--

She's undercover and in over her head . . . When FBI analyst Tara Jacobs's fellow agent and best friend goes missing while investigating a sex ring, Tara goes undercover as a submissive in a Dallas BDSM club called Dominion. But no man can top a woman with Tara's moxie convincingly enough - until an edgy, dangerous Dom takes control of the scene and sets her heart racing with a single, commanding glance. Too bad he's also the man who stole her innocence years ago - and one to whom she will never submit. He's got everything under control . . . until he falls for her again. Navy SEAL Logan Edgington once left the woman he loved to save her life. He knows Tara will never forgive him, but he has no doubt that he possesses the knowledge to help her master her fears and the strength to guide her through an unfamiliar world of pleasure and pain. He alone can protect her on a dangerous mission that reveals both wicked depravities and terrible secrets. Logan relishes the exquisite torture of holding her again and feeling her uninhibited response. No matter how much Tara insists their fling will end after this mission, he's determined that she will be his once more - and this time, he'll never let her go. 'Some of the hottest BDSM scenes that I have read . . . So intense . . . This one is a winner.' The Romance Reviews Mature Audience
