Christians Make Sense Of
American Politics (Baker), Black
aims to equip Christians to
participate in politics in a
thoughtful, educated way. If, like
me, you didn't exactly pay close
attention during American
Government class in high school,
Dr. Amy Black is a political
science professor at Wheaton
College whose work has focused
on American politics and political
behavior.

The Eurasianists were never materialists. On this point they found themselves in opposition to the main trends of modern science. At the same time, however, for them it was of importance to not simply affirm the priority of eternal elements and principles – hence the main Eurasianist thesis on ideocracy, the ruling-idea, the rule of ideas – but to insist that the whole world and all of ...

have broken down, but what is taking their place? What Others Think "...

Beyond Right and Left | David McKnight

To really get beyond right and left means having a variety of voices in the newsroom and allowing those voices to say what they will, within the bounds of fact-based journalism. The point is that no ideological position can be counted on to deliver the facts, and any journalism that loses track of this ultimately reduces itself to a version of propaganda.

Beyond Left and Right introduces us to a new coalition of conservatives and liberals that is striving to build self-governing communities, especially in the stricken inner cities. This movement is strongly evident in efforts to reform education and low-income housing and is proposing new ideas in health care, law enforcement, and other areas.
