Bonds are long-term lending agreements between a borrower and a lender. For example, when a municipality (such as a city, county, town, or village) needs to build new roads or a hospital, it issues bonds to finance the project. Corporations generally issue bonds to raise money for capital expenditures, operations, and acquisitions. The selling price [...]

Your friendly guide to trading the bond and bond fund market Bonds and bond funds are among the safest and most reliable investments you can make to ensure an ample and dependable retirement income—if you do it right! Bond Investing For Dummies helps you do just that, with clear explanations of everything you need to know to build a diversified bond portfolio that will be there when you need it no matter what happens in the stock market. This plain-English guide clearly explains the pros and cons of investing in bonds, how they differ from stocks, and the best (and worst!) ways to select and purchase bonds for your needs. You'll get up to speed on the different bond varieties and see how to get the best prices when you sell. Covers the ups and downs of today's market, which reinforces the importance of bonds in a portfolio Explains how a radical fall in interest rates make bond investing trickier than ever Explores the historic downgrade of U.S. Treasuries and its possible effects on government bonds If you're an investor looking for a resource that helps you understand, evaluate, and incorporate bonds into your portfolio, Bond Investing For Dummies has you covered.

Every book is written with a certain reader in mind, and this book is no different: You may have some investments, but you're looking to develop a full-scale investment plan....You'd like to strengthen your portfolio....You want to evaluate your investment advisor's advice....You have a company-sponsored investment plan, like a 401(k), and you're looking to make some decisions or roll it over into a new plan....If one or more of these descriptions sound familiar, you've come to the right place.

This hands-on resource arms readers with an arsenal of beginner to intermediate investing techniques for everything from stocks, bonds, mutual funds, and real estate to the latest in investing online.
