In this all-new short story from #1 New York Times bestselling author David Baldacci, worlds collide when government assassin Will Robie is caught in the crossfire with Oliver Stone and the Camel Club. Will Robie is closing in on his next target when he finds himself in the middle of a bank heist--and he's taken hostage alongside Oliver Stone. But is this just a simple bank job, or are the robbers after something even more valuable--and dangerous--than the cash in the vault? Available only as an ebook.

After witnessing a shocking murder, four conspiracy theorists team up with a Secret Service agent to uncover the government corruption that threatens to cause an international terrorism crisis in this New York Times bestselling thriller. Welcome to THE CAMEL CLUB. Existing at the fringes of Washington, D.C., the Club consists of four eccentric members. Led by a mysterious man known as "Oliver Stone," they study conspiracy theories, current events, and the machinations of government to discover the "truth" behind the country's actions. Their efforts bear little fruit--until the group witnesses a shocking murder...and becomes embroiled in an astounding, far-reaching conspiracy. Now the Club must join forces with a Secret Service agent to confront one of the most chilling spectacles ever to take place on American soil-an event that may trigger the ultimate war between two different worlds. And all that stands in the way of this apocalypse is five unexpected heroes.

America has enemies--ruthless people that the police, the FBI, even the military can't stop. That's when the U.S. government calls on Will Robie, a stone cold hitman who never questions orders and always nails his target. But Will Robie may have just made the first--and last--mistake of his career . . . THE INNOCENT It begins with a hit gone wrong. Robie is dispatched to eliminate a target unusually close to home in Washington, D.C. But something about this mission doesn't seem right to Robie, and he does the unthinkable. He refuses to kill. Now, Robie becomes a target himself and must escape from his own people. Fleeing the scene, Robie crosses paths with a wayward teenage girl, a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway-her parents were murdered, and her own life is in danger. Against all of his professional habits, Robie rescues her and finds he can't walk away. He needs to help her. Even worse, the more Robie learns about the girl, the more he's convinced she is at the center of a vast cover-up, one that may explain her parents' deaths and stretch to unimaginable levels of power. Now, Robie may have to step out of the shadows in order to save this girl's life . . . and perhaps his own.

The President knows it's a perilous, high-risk assignment. If he gives the order, he has the opportunity to take down a global menace, once and for all. If the mission fails, he would face certain impeachment, and the threats against the nation would multiply. So the president turns to the one team that can pull off the impossible: Will Robie and his partner, Jessica Reel. Together, Robie and Reel's talents as assassins are unmatched. But there are some in power who don't trust the pair. They doubt their willingness to follow orders. And they will do anything to see that the two assassins succeed, but that they do not survive. As they prepare for their mission, Reel faces a personal crisis that could well lead old enemies right to her doorstep, resurrecting the ghosts of her earlier life and bringing stark danger to all those close to her. And all the while, Robie and Reel are stalked by a new adversary: an unknown and unlikely assassin, a woman who has trained her entire life to kill, and who has her own list of targets--a list that includes Will Robie and Jessica Reel.

The #1 bestselling author of The Collectors and Simple Genius returns with STONE COLD...an unforgetable novel of revenge, conspiracy, and murder that brings a band of unlikely heroes face-to-face with their greatest threat. Oliver Stone, the leader of the mysterious group that calls itself the Camel Club, is both feared and respected by those who've crossed his path. Keeping a vigilant watch over our leaders in Washington, D.C., the Camel Club has won over some allies, but it has also earned formidable enemies-including those in power who will do anything to prevent Stone and his friends from uncovering the hidden, secret work of the government. Annabelle Conroy, an honorary member of the Camel Club, is also the greatest con artist of her generation. She has swindled forty million dollars from casino king Jerry Bagger, the man who murdered her mother. Now he's hot on her trail with only one goal in mind: Annabelle's death. But as Stone and the Camel Club circle the wagons to protect Annabelle, a new opponent, who makes Bagger's menace pale by comparison, suddenly arises. One by one, men from Stone's shadowy past are turning up dead. Behind this slaughter stands one man: Harry Finn. To almost all who know him, Finn is a doting father and loving husband who uses his skills behind the scenes to keep our nation safe. But the other face of Harry Finn is that of an unstoppable killer who inevitably sets his lethal bull's-eye on Oliver Stone. And with Finn, Stone may well have met his match. As Annabelle and the Camel Club fight for their lives, the twists and turns whipsaw, leading to a finale that is as explosive as it is shattering. And when buried secrets are at last violently resurrected, the members of the Camel Club left standing will be changed forever. With unrelenting pacing, stunning reversals, and two of the most compelling characters in modern fiction, STONE COLD is David Baldacci writing at his breathtaking best.

Will Robie is closing in on his next target when he finds himself in the middle of a bank heist--and he's taken hostage alongside Oliver Stone. But is this just a simple bank job, or are the robbers after something even more valuable--and dangerous--than the cash in the vault?

#1 New York Times bestselling author David Baldacci returns with his most breathtaking thriller yet! Will Robie and Jessica Reel are two of the most lethal people alive. They're the ones the government calls in when the utmost secrecy is required to take out those who plot violence and mass destruction against the United States. And through every mission, one man has always had their backs: their handler, code-named Blue Man. But now, Blue Man is missing. Last seen in rural Colorado, Blue Man had taken a rare vacation to go fly fishing in his hometown when he disappeared off the grid. With no communications since, the team can't help but fear the worst. Sent to investigate, Robie and Reel arrive in the small town of Grand to discover that it has its own share of problems. A stagnant local economy and a woefully understaffed police force have made this small community a magnet for crime, drugs, and a growing number of militant fringe groups. But lying in wait in Grand is an even more insidious and sweeping threat, one that may shake the very foundations of America. And when Robie and Reel find themselves up against an adversary with superior firepower and a home-court advantage, they'll be lucky if they make it out alive, with or without Blue Man . . . Master assassin Will Robie must track down a deadly rogue agent, but the attacks conceal a larger threat that could send shockwaves through the U. S. government and around the world in this #1 New York Times bestselling thriller. Will Robie is a master of killing. A highly skilled assassin, Robie is the man the U.S. government calls on to eliminate the worst of the worst--enemies of the state, monsters committed to harming untold numbers of innocent victims. No one else can match Robie's talents as a hitman...no one, except Jessica Reel. A fellow assassin, equally professional and dangerous, Reel is every bit as lethal as Robie. And now, she's gone rogue, turning her gun sights on other members of their agency. To stop one of their own, the government looks again to Will Robie. His mission: bring in Reel, dead or alive. Only a killer can catch another killer, they tell him. But as Robie pursues Reel, he quickly finds that there is more to her betrayal than meets the eye. Her attacks on the agency conceal a larger threat, a threat that could send shockwaves through the U.S. government and around the world.

After failing a critical assignment overseas, Will Robie must investigate a murder accusation against his father--but to save him, he'll have to face a violent and deadly fallout in this New York Times bestselling thriller. Will Robie escaped his small Gulf Coast hometown of Cantrell, Mississippi after high school, severing all personal ties, and never looked back. Not until the unimaginable occurs. His father, Dan Robie, has been arrested and charged with murder. Father and son haven't spoken or seen each other since the day Robie left town. In that time, Dan Robie--a local attorney and pillar of the community--has been elected town judge. Despite this, most of Cantrell is aligned against Dan. His guilt is assumed. To make matters worse, Dan has refused to do anything to defend himself. When Robie tries to help, his father responds only with anger and defiance. Could Dan really be guilty? With the equally formidable Jessica Reel at his side, Robie ignores his father's wishes and begins his own desperate investigation into the case. But Robie is now a stranger to his hometown, an outsider, a man who has forsaken his past and his family. His attempts to save his father are met with distrust and skepticism...and violence. Unlike the missions Robie undertook in the service of his country, where his target was clearly defined, digging into his father's case only reveals more questions. Robie is drawn into the hidden underside of Cantrell, where he must face the unexpected and possibly deadly consequences of the long-ago choices made by father and son. And this time, there may be no escape for either of them.
