Historian Ashli White examines the ways Americans—black and white, northern and southern, Federalist and Democratic Republican, pro- and antislavery—pondered the implications of the Haitian Revolution. *Encountering Revolution* convincingly situates the formation of the United States in a broader Atlantic context. It shows how the very presence of Saint-Dominguan refugees stirred in Americans as many questions about themselves as about the future of slaveholding, stimulating some of the ...

Encountering Revolution: Haiti and the Making of the Early ...
Ashli White's Encountering Revolution: Haiti and the Making
of the Early Republic captures the unfolding of the
mythmaking surrounding the racial violence in Haiti. Her study
is the cultural and political impact of the settlement of
refugees from colonial Saint Domingue in the port cities of the
United States in the first decades of the American Republic.

Encountering Revolution by Ashli White | Waterstones

Ashli White is interested in exceptionalism, but more as it was conditioned by events and as rationalization. Her subject is slavery: how slavery linked the American Revolution and the Civil War and how American perceptions of the Haitian Revolution (1791–1804) shaped thoughts about slavery and contributed to the making of the early republic and American exceptionalism.

Encountering Revolution: Haiti and the Making of the Early ...

Issue Section: Comparative/World. Recent scholarship has notably enhanced understanding of the profound influence of the Haitian Revolution upon the United States in the formative early decades of its existence. Ashli White's book is a significant addition to this scholarship, carefully describing the role of refugees from Saint Domingue during the period of the Haitian Revolution (1791–1804) in shaping the conflicted existence of a slaveholding republic.
