One of the core books for the Call of Cthulhu 5.5 release. This book collects a large number of monsters for CoC. It includes the former books Ye Booke of Monstres and Ye Booke of Monstres II, plus some new critters, and some new background material about the Mythos. The later Malleus Monstrorum volume is even more dramatically expanded than The Creature Companion.

The CTHULHU COMPANION is a collection of new Cthulhu mythos lore, scenarios, and rules additions to the game. From this volume the investigators gain two new skills and a chance to encounter prehistoric monsters, find a missing uncle, stop cattle mutilations, and solve a kidnaping. The grim prisons of four continents plus new Cthulhu mythos deities, races, and monsters help the keeper propel the investigators to madness.

Inspired by the eldritch fiction (?) of HP Lovecraft, Call of Cthulhu is set to enter its 30th year in print. Avid players and keepers will always want good solid support material to add depth, spice and ultimately terror to their adventures. The keeper companion 1 is a fine addition to such a library. The keeper companion 2 is not so good.
