Lasting Impressions. Making Literature Matter" by John Schilb and John Clifford, there is a brief biography of Roethke's life where it explains that his father has influenced much of his work. This shows that whatever went on at home when Roethke was young gave him a lasting impression all through his life. In his poem "My Papa's Waltz" he makes his father the main character but at the same time he explains what was going in his head as his father was putting him off to bed.

What's a businessperson's biggest hidden asset? His or her own true story and authenticity One's personal identity is the key to one's professional brand. In *May I Have Your Attention, Please?*, Chris Hilicki illustrates how everyone can be successful by applying their personal experiences to business. Using real-world examples of famous corporations, celebrities, and the guy next door, Hilicki gets readers to use their best-and often most untapped-assets to build a better personal and professional life. Complete with thought-provoking chapter questions and practical exercises that readers can immediately apply to their plans for success, this unique guide offers step-by-step strategies that help readers examine their identity, make a lasting impression, and turn it into a reputation that transforms their businesses. Chris Hilicki (Nashville, TN) is founder and Vice Chair of Dalmatian Press, one of the U.S.'s most successful children's book companies. Formerly a scientist and now a publishing leader, she regularly speaks before industry leaders, live television audiences, and large conventions. Chris has been interviewed for *Forbes*, *Inc.*, the *Wall Street Journal*, *Southern Living*, and *Publishers Weekly* and has appeared on television shows as an expert on building brands through the use of personal identity.

Society at large tends to misunderstand what safety is all about. It is not just the absence of harm. When nothing bad happens over a period of time, how do you know you are safe? In reality, safety is what you and your people do moment by moment, day by day to protect assets from harm and to control the hazards inherent in your operations. This is the purpose of risk-based thinking, the key element of the six building blocks of Human and Organizational Performance (H&OP). Generally, H&OP provides a risk-based approach to managing human performance in operations. But, specifically, risk-based thinking enables foresight and flexibility—even when surprised—to do what is necessary to protect assets from harm but also achieve mission success despite ongoing stresses or shocks to the operation. Although you cannot prepare for every adverse scenario, you can be ready for almost anything. When risk-based thinking is integrated into the DNA of an organization's way of doing business, people will be ready for most unexpected situations. Eventually, safety becomes a core value, not a priority to be negotiated with others depending on circumstances. This book provides a coherent perspective on what executives and line managers within operational environments need to focus on to efficiently and effectively control, learn, and adapt.

After an unwanted past, Claire strives to create something that will last as an artist among Nashville's elite society in the 1860s.

Impressionism captured the world's imagination in the late nineteenth century and remains with us today. Portraying the dynamic effects of modernity, impressionist artists revolutionized the arts and the wider culture. Impressionism transformed the very pattern of reality, introducing new ways to look at and think about the world and our experience of it. Its legacy has been felt in many major contributions to popular and high culture, from cubism and early cinema to the works of Zadie Smith and W. G. Sebald, from advertisements for Pepsi to the observations of Oliver Sacks and Malcolm Gladwell. Yet impressionism's persistence has also been a problem, a matter of inauthenticity, superficiality, and complicity in what is merely "impressionistic" about culture today. Jesse Matz considers these two legacies—the positive and the negative—to explain impressionism's true contemporary significance. As *Lasting Impressions* moves through contemporary literature, painting, and popular culture, Matz explains how the perceptual role, cultural effects, and social implications of impressionism continue to generate meaning and foster new forms of creativity, understanding, and public engagement.

Part of a series of six student books which are matched to every type of AS level GCE course students can take - whether it is a single award or double award with Edexcel, OCR or AQA.

This book provides startegies that are flexible and adaptable for any church.

Read Book Case Study Solution Lasting Impressions Company Finance

Written by a veteran police officer turned college professor, this modern-day study of American policing covers hot-button issues including police use of deadly force against and bias toward minorities. • Takes a multidisciplinary approach to the problem, covering police psychology, behavior, policy, and law • Addresses the proliferation of violence in minority communities • Examines the response of minority communities to police brutality and the shooting of unarmed Black men, in addition to the psychology of oppression within those communities • Illustrates signs that a police agency is faltering, how a community becomes disenfranchised from police and the consequences for law enforcement efforts, and quality assurance measures that could reduce or remove the problems

This collection examines the multifaceted opus of Pier Paolo Pasolini through a contemporary critical lens. It offers new interpretations to some classic works such as *Salò* or the 120 Days of Sodom and *Decameron* while considering some lesser studied pieces, for example *Orestia* and his Friulian verse.
