"It does an excellent job of reviewing the relevant content, with good thought-provoking questions. It is followed by NCLEX style questions and rationales. The book is thorough and current... The author does a very good job of covering important critical care content and includes questions with a variety of difficulty. The book is easy to use and will be an excellent resource for any nurse preparing for the CCRN exam." Score: 100, 5 Stars.--Doody's Medical Reviews This innovative review for experienced critical care nurses preparing for the Adult CCRN (critical care registered nurse) examination has been finely honed to provide an effective balance of clinical judgment-enhancing content review in the form of thousands of questions, answers, and hints. Also included are practice CCRN-style Q&A, test-taking skills, and thorough coverage of the CCRN test blueprint. Written by a well-known CCRN instructor, the review features a "Think in Questions" format, which

Access Free Ccrn Study Guide

helps readers to anticipate the kinds of questions that might be asked, and promotes critical thinking throughout the exam. This format guides candidates through each topic with a short content review followed by an innovative Q&A Socratic-style reasoning process to assist in arriving at the best clinical judgment. The review also features a separate section devoted to the professional caring and ethical practice portion of the exam, as well as a bonus of more than 200 CCRN-style review questions following the exam's content blueprint. These questions, in simulated exam format, are answered along with a rationale for each. The review is both comprehensive and user friendly, featuring "bite-size" sections for easier learning and memorization, and plentiful tables and charts. Additionally, the review includes a section on test-taking skills, specific guidance on preparing for the certification exam, and useful hints related to the CCRN exam format. Other helpful features include a study plan and guide for nurses to follow. Key Features: Covers content review, practice CCRN-style Q&A, test-taking skills, and the CCRN test blueprint format Goes beyond mere memorization of facts with "Think in Questions" Socratic-style content review in the form of over 1,000 critical-thinking questions and hints Contains "bite-size" sections for each topic for easier learning and memorization Contains a separate section regarding the professional caring and ethical practice portion of the exam Includes a section on test-taking skills and study plan to improve study habits CCRN is a registered service mark of AACN Certification Corporation, which neither sponsors nor endorses this product.

CCRN Exam help you achieve the next level of professional achievement.

Get ready for your neonatal intensive care nursing certification exam with the only review developed in collaboration with three leading nursing organizations! From AACN, AWHONN, and NANN, Certification and Core Review for Neonatal Intensive Care Nursing, 5th Edition prepares you for your examination with hundreds of high-quality study questions and realistic test simulation. Based on the latest test plans of the AACN's CCRN®-Neonatal exam and the NCC's Neonatal Intensive Care Nursing (RNC-NIC) exam, review questions cover the changes to the Core Curriculum and reflect the latest evidence, essential knowledge, and best practices. New to this edition are three new chapters and 225 completely new review questions. This powerful study tool offers unparalleled preparation for your certification exam! Endorsed by the three most authoritative associations in neonatal intensive care nursing: the American Association of Critical-Care Nurses (AACN); the Association of Women's Health, Obstetric, and Neonatal Nurses (AWHONN); and the National Association of Neonatal Nurses (NANN). Realistic exam practice is offered through 675 total questions that mirror the certification exam content, the multiple-choice question format, and the distribution of content. Answers are provided for each question, accompanied by rationales and references, to enhance your understanding of the material. Online flexibility allows you to organize review questions and test format by your preferred examination, either the AACN or NCC. Online exam simulation — included free with each new copy of the book — mirrors the test-taking experience with an interactive, timed format. Customized study lets you choose whether to work through online questions in Study Mode or Examination Mode. Online remediation includes rationales for both correct and incorrect answers, and in-book remediation provides rationales for correct answers. A compact, portable size makes the book easier to study anytime, anywhere. 225 NEW review questions include 75 in the book and 150 additional online questions on the Evolve companion website. Thoroughly UPDATED review content reflects AACN's latest CCRN®-Neonatal exam and the NCC's latest Neonatal Intensive Care Nursing (RNC-NIC) exam, information in Core Curriculum for Neonatal Intensive Care Nursing, 5th Edition, and the newest evidence-based guidelines for neonatal critical care. NEW! Three new chapters include Grieving Process, Quality Improvement, and Facilitation of Learning. NEW focus on culturally sensitive care is included in an expanded Family Integration and Culturally Sensitive Care chapter. UPDATED rationales in the Answer Key are referenced to the most recent literature and evidence-based guidelines. Compatibility with iPads, iPhones, and other mobile devices allows online exam practice that is easy and convenient.
