This is the second book in the Celestial Marked series—one that should be read in order—and it's just as not more exciting than the first. Devi's life is still turned upside down from her last adventure, and she has not yet come to terms with being a member of the warlocks, being out of the celestial guild or even her handling her own double marks, one demon and the other celestial.

Emma Adams: Celestial Fire. This is book 2 (the first is Celestial Magic...you really should read the first one before jumping into book 2.). From book 1, Diva's goal has been to determine what killed her partner and which divinity or archdemon gifted her with marks of approval so that she survived.
