"The first time we came here I didn't know what to expect," she told me as we paddled upstream. "What we found just blew me away. Jaguars, pumas, river otters, howler monkeys. The place was like a Noah's Ark for all the endangered species driven out of the rest of Central America. There was so much life! That expedition was when I first saw the macaws." As a young woman, Sharon Matola lived many lives. She was a mushroom expert, an Air Force survival specialist, and an Iowa housewife. She hopped freight trains for fun and starred as a tiger tamer in a traveling Mexican circus. Finally she found her one true calling: caring for orphaned animals at her own zoo in the Central American country of Belize. Beloved as "the Zoo Lady" in her adopted land, Matola became one of Central America's greatest wildlife defenders. And when powerful outside forces conspired with the local government to build a dam that would flood the nesting ground of the last scarlet macaws in Belize, Sharon Matola was drawn into the fight of her life. In *The Last Flight of the Scarlet Macaw*, award-winning author Bruce Barcott chronicles Sharon Matola's inspiring crusade to stop a multinational corporation in its tracks. Ferocious in her passion, she and her confederates—a ragtag army of courageous locals and eccentric expatriates—endure slander and reprisals and take the fight to the courtroom and the boardroom, from local village

streets to protests around the world. As the dramatic story unfolds, Barcott addresses the realities of economic survival in Third World countries, explores the tension between environmental conservation and human development, and puts a human face on the battle over globalization. In this marvelous and spirited book, Barcott shows us how one unwavering woman risked her life to save the most beautiful bird in the world. "Barcott's compelling narrative is suspenseful right up to the last moment." –Publisher's Weekly "An engrossing but sad account of a brave and quirky champion of nature."–Kirkus "...A riveting account of one woman's fight to save one of the last bastions of an endangered Species. . . Barcott writes of international politics, ecology and endangered species, and human relations with equal facility. This real page-turner of narrative nonfiction is hard to put down." –Booklist

The Masque of the Red Death Edgar Allan Poe - The story is said in the most enthralling manner that it makes it very interesting as well as introspective. Even though it appears to be very literal but the crux of the matter is all about the inevitability of death. The prince thought that with his power and position he could defy the plague that caused death in his kingdom. But eventually even he is not spared because on the figurative level it is not a plague but death itself, that does not spare anyone. Prince Prospero's intentions and preparations did not stand a chance when death decided to take him on.

The Pulitzer Prize-winning epic of the Great Depression, a book that galvanized—and sometimes outraged—millions of readers. First published in 1939, Steinbeck's Pulitzer Prize-winning epic of the Great Depression chronicles the Dust Bowl migration of the 1930s and tells the story of one Oklahoma farm family, the Joads—driven from their homestead and forced to travel west to the promised land of California. Out of their trials and their repeated collisions against the hard realities of an America divided into Haves and Have-Nots evolves a drama that is intensely human yet majestic in its scale and moral vision, elemental yet plainspoken, tragic but ultimately stirring in its human dignity. A portrait of the conflict between the powerful and the powerless, of one man's fierce reaction to injustice, and of one woman's stoical strength, the novel captures the horrors of the Great Depression and probes into the very nature of equality and justice in America. At once a naturalistic epic, captivity narrative, road novel, and transcendental gospel, Steinbeck's powerful landmark novel is perhaps the most American of American Classics. This Centennial edition, specially designed to commemorate one hundred years of Steinbeck, features french flaps and deckle-edged pages. The Ambitious Guest (+Biographie et Bibliographie) (Glossy Cover Finish): One September night a family had gathered round their hearth, and piled it high with the driftwood of mountain streams, the dry cones of the pine, and the splintered ruins of great trees that had come crashing down the precipice. Up the chimney roared the fire, and brightened the room with its broad blaze. The faces of the father and mother had a sober gladness; the children laughed; the eldest daughter was the image of Happiness at seventeen; and the aged grandmother who sat knitting in the warmest place, was the image of Happiness grown old.
