Coaching Presence Building Consciousness And
Coaching Presence examines how self-awareness
can be built across key aspects of coaching
practice, introducing a model that will help
you make a conscious and deliberate choice
for every approach or intervention that you
use with your client. It explores how, by
paying close attention to the motivations
behind every coaching choice, you can
minimize the unconscious negative influences
and bias to produce the best outcome for the
client and their wider system.

I found Maria's 4 Modes of Presence Model a
particularly framework to apply to my own
practice as a coach, as it provides a
framework to use when considering which mode
of presence might be particularly useful; or
as a tool to facilitate the process of
reflective learning. It brings coaching
presence into consciousness.
