Today ' s youth are tomorrow ' s leaders. The better they can understand themselves and work effectively with others, the greater impact they can make on the world around them. Based on research from the Center for Creative Leadership, *Social-Emotional Leadership: A Guide for Youth Development* identifies 14 student leadership attributes and offers tools for adults to use to develop social-emotional leadership in youth inside and outside the classroom. *Social-Emotional Leadership: Reflection Journal*, a blank companion journal for students is also available. ISBN 978-1-60491-987-5

Few are prepared for managing across cultures, and the costs of cultural blind spots can spin out of control—from lawsuits to lost opportunities. Forged in the fire of clashing cultures and living on four continents, Dr. Zweifel developed a fool-proof methodology for managing successfully across borders. And post-9/11, the Arab Spring and the BRICS emerging markets, e-commerce and social networks have made this updated and expanded edition of *Culture Clash* indispensable. *Culture Clash 2* is not another Kiss, Bow or Shake Hands. Such protocol-laden works on whether to bring wine to a dinner in Singapore or how many times to kiss in France might have their uses, but non-compliance with local etiquette has rarely been a deal-breaker. What has derailed international business is the inability of managers to see the world from their counterpart's point of view, read between the lines, and decode the mind-set of the other side.

Brimming with commonsense advice delivered in a conversational, easy-to-read style, *Internal Audit Reports Post Sarbanes-Oxley: A Guide to Process-Driven Reporting* helps you transform raw data into useable information and then translate that information into actionable messages while complying with the SOX Act.

Leadership success depends on clarifying and simplifying complex problems while maintaining a positive outlook. *Change or Die - The Business Process Improvement Manual* provides you with the tools to do so. Packed with more than 70 pages of workshop tools, agendas, and activities that detail each of the six stages of the business process improvement (BPI) method, it presents a BPI method that promotes the use of facilitator-led workshops to help you and your team make better decisions. Developed from empirical research and bolstered by the results of client experience from hundreds of hours of facilitated workshops and BPI activity, *Change or Die* employs the authors' ENGAGE methodology. To ensure your team achieves its deliverables, the authors walk you through each BPI method. In each chapter you will find: Objectives and deliverables clearly identified Real-world examples from companies the authors have worked with—presented using a global manufacturer as an example Activities, questionnaires, and examples A self-assessment tool to help you measure progress, identify gaps in team performance, and determine team readiness for the next stage This resource-rich book includes a CD with supplemental activities, challenges, facilitated workshops, templates, tables, and questionnaires—tools designed to ease

"This text examines the basis for culture, reviewing the work of social scientists, cultural anthropologists, and global managers on this emerging topic. Definitions of culture, issues of cultural change and how cultures adapt are included, along with practical examples, case studies, and illustrations of how cultural issues are managed both domestically and internationally"--P.
