The six stories in *Consider Her Ways: And Others*, the second collection of John Wyndham's short tales, continue his exploration of the science fiction staple - what if? In the title story we are introduced to a world where all the men have been killed by a virus and women continue to survive in a strict caste system - bottom of the heap are the mothers.

## Read Free Consider Her Ways And Others

Consider Her Ways and Others is mildly entertaining, but pretty humdrum stuff. Four of its six stories are about time-slips, with "Random Quest The back cover of my Penguin edition of this 1961 collection carries a quote from The Guardian that might almost be the definition of damning with faint praise: "Mr Wyndham writes strongly and has a gift for bizarre plots."

~~Consider Her Ways and Others by John Wyndham~~

Consider Her Ways is a 1956 science fiction novella by John Wyndham. It was published as part of a 1961 collection with some short stories called Consider Her Ways and Others (where it forms over a third of the book). The title is from Proverbs, Chapter 6, verse 6: "Go to the ant, thou sluggard; consider her ways, and be wise".

"Consider Her Ways and Others" is another collection of short stories by John Wyndham. A book of stories covering a variety of weird situations, this is a book that is sadly hard to find. The best story is the first one, "Consider Her Ways". Set in a future where men are extinct, female society is regimented and "perfect".
