Crank is a standalone romance in a new small town, blue-collar series from USA Today bestselling author Adriana Locke. Join readers everywhere as they fall in love with the delicious Gibson Boys.This is one mistake Sienna Landry can't buy her way out of. As Walker Gibson looks at her, then at the damage to his precious truck (that she may or may not have accidentally inflicted), she knows she's in trouble. It's not the busted headlight and dented grill that's sunk her though. It's the downright sinful man in front of her that's the problem. The small town mechanic is broody. Rough. Smells like engine grease and gasoline and Sienna isn't sure why that's so sexy, but it is. It so is. She's ready to peel off her panties at the drop of his wrench. He wants her too. She can feel it when he brushes against her. Experience it as he presses her against the wall of the shop. It's thinly veiled in his deep, brown eyes when he looks at her like she's everything he's ever wanted. So why won't he give in? The damage to Walker's truck is the first of many mistakes between the two of them, ending with truths that rock Sienna's world. Nothing can fix her broken heart except the love of a man that won't, maybe even can't, love her back.

They're not quite enemies. Not really friends. More like frustrated balls of sexual tension and neither will give in. Lance Gibson drives Mariah Malarkey absolutely crazy. He uses her office like a phone booth, takes cupcakes from the corner of her desk like she baked them just for him. She didn't. Maybe she knew the history teacher happened to love peanut butter icing, but that was purely a coincidence. All sixteen times. Mariah has a way of getting under Lance's skin too. She calls him out on his crap, spoils him even if inadvertently, and seeing the librarian in skirts drives him wild. She won't give in. It's for the best, really, considering there's no way he could lie to a woman like that and he's not about to tell her the truth about himself. Not in a million years. These two don't hate each other. They don't really like each other. But for this to be a friends-to-lovers story, they have to start somewhere, right? Note: This can be read as a standalone novel.

USA Today Bestselling author Adriana Locke brings laughter and love in this fresh unexpected romance. Love is crazy. Peck Ward, the sweet, small-town mechanic, isn't sure it's for everyone. Least of all him. His life is chaotic enough without adding the pressure of a relationship. Besides, unrequited love is a real thing and he's kind of over it. This works out perfectly until a certain someone throws a wrench-pun intended-into his plans. As they go from adversaries to friends to possibly something more, things get complicated. After all, they know how this story ends. It's not with them together. His easy grin is enough to win her over. Her unabashed personality does him in. But are they ready to accept the fact that sometimes you don't find love where you're looking for it? Sometimes you find it in the most unexpected, craziest places.

Blaire Gibson knows better than to have one night stands. She prides herself on her decision-making skills. It's the one asset that has never let her down. But even the best thinkers have weaknesses. Hers is a delicious business mogul with a quick tongue.Unfortunately for her, that tongue is good for more than just talking. Holt Mason doesn't need to justify anything to anyone. He wants Blaire. He pursues Blaire. And he gets Blaire because that's how his life works. Until it doesn't. What begins as a single night in a hotel room spirals into an unusual agreement. As late nights provide the space to trade secrets and walls come tumbling down, more is shared than just pillow talk. They both should've known better. They should've shown restraint. Because when guards are dropped, hearts get shattered.Restraint is a standalone romance from USA Today Bestselling author Adriana Locke. Join readers everywhere as they fall in love with the delicious Mason brothers. Author's Note: Restraint originally appeared as a short story. It has been expanded into a full novel.

Cross Jacobs was a screw-up. Everyone knew it, especially him, and the point was hammered home when Kallie Welch drove herself right out of his life. But, she's back. Seeing Cross wasn't on Kallie's to-do list. She didn't think she could avoid him forever but trying never hurt anyone. One minute she's standing by herself and the next she's accosted by a rich, velvety scent that could only belong to one man: Cross. At face value, he's divine. All rugged and confident with a smile that melts her right where she's standing. It doesn't take long to find him to be charming, witty, and the owner of a few legitimate businesses. Not at all like the mischievous boy she left. He laughs and her heart flutters. With a touch of his hand, she's dizzy. She's fairly certain she's going to die when he pulls her into an embrace and touches his lips to her forehead. It feels right. It feels so right. But is it? Cross is a novella, originally published in the Team Player Anthology. Cross includes three chapters not included in the original story. There are also two Gibson Boy short stories, Restraint and Crash, included at the end for your enjoyment.

"A rock star with no rhythm is a man with no soul." - Stone Lockhart As the lead singer of one of the hottest bands to hit the rock scene, f*cks are free, drugs come easy, and music is life. For as long as Stone can remember, Willow has been his music - the notes that weave his soul together. His rhythm. Until he threw her away. All he has left is a handful of pills and a few lines of powder to make him forget her. And he tries, over and over. Clean and ready to make things right, he's faced with the fact that Willow's moved on. She's not the same girl he cast aside. Willow's a woman sure about her purpose in life. Sure about who she's meant to love. Stone may be lost without his rhythm, but Willow has found so much more.

Screw him and his perfect stats. Sinful smirk. Delicious body. Lincoln Landry probably even has game-winning stamina. I'd like to screw her and her perfect ass. Dangerous curves. Sweet smile. Danielle Ashley probably even has a game-changing personality. There's no denying the chemistry between them. It's so fiery, it's undeniable. They partake in it. Enjoy it. They really enjoy it. Attraction is not a problem. Nor is their banter, relationship status, or habits. That's all fine. Perfect, actually. The problem is as tangled up as their sheets. A lighthearted STANDALONE romantic comedy from USA Today Bestselling author Adriana Locke.

I'm that guy. Camilla Landry rustles against me, the silky fabric of her overpriced lingerie slipping along my bruised rib. The porcelain perfection of her skin is even more innocent against the colorful ink dotting my own. It's demure meets damaged, pampered meets punctured. So, yeah, it's obvious I'm that guy. Dominic Hughes. Her attempt at rebellion. Her bid to see what the other side of the tracks feel like. I'm okay with being used because, from where I'm sitting, the other side of the tracks have never looked so good. A contemporary romance standalone.

From USA Today bestselling author Adriana Locke comes a witty romance about first love and second chances. After being burned by her dream job in New York City, sports journalist Neely Kimber suddenly finds herself jobless and paying a long-overdue visit to her hometown in Tennessee. Her plan? Relax, reset, and head back up the corporate ladder. There's just one unexpected step. Neely's back in Dogwood Lane for barely a day when she sees the man she ran from nine years ago: the bad boy next door who was her first kiss, her first love, and her first heartbreak. Devoted single dad Dane Madden knows he hurt Neely in the worst way. He's got a lot to make up for. And as passionate as their reconnection is, it's a lot to hope for. Having her back in his arms feels so right. But falling in love all over again with a woman who wants to live a world away is bound to go so wrong. What's it going to take for Neely to give him--and Dogwood Lane--just one more chance?

Coy Mason is a jerk. If there is one truth that Bellamy Davenport knows, it's that. Well, that and the fact she didn't mean to hurt him. Physically. Coy can't be hurt emotionally because he doesn't have a heart. Coy is not just the small-town, literal boy next door. He's a heartbreaking, womanizing, mischief-making (and delicious) man and was all of those things well before he became a hot-shot country music sensation. He's a dream standing in her doorway with no shirt, messy hair, and a "Do you wanna?" grin. But he's also a nightmare for her heart, and she knows it. Their enemies-to-lovers relationship always ends the same way-heavy on the enemies, light on the lovers. So why is she still standing there?
