Crossroads Modernism is predominantly focused on vernacular culture, quest narratives, and characters/personae. One should not expect to find discussions of modernist aesthetic technique here. Instead, Crossroads Modernism charts the creative energies and processes of the artists and their creations as they grapple with the conflicting spaces and realities in modernist black identity.

Crossroads Modernism: Descent And Emergence In African ...

An essential reconsideration of black literature and culture and its response to modernity. Crossroads Modernism provides an in-depth look at how West African cultural legacies are brought to bear in the structure of a truly African American modernist creative process. Whereas much has been said about the (generally racist) use of "blackness" in constituting modernism, Crossroads Modernism is the first book to expose the key role that modernism has played in the
