Drivers Daily Log - New FMCSA rules - Laptop Logbook Software

A written or electronic record of a driver's duty status which must be maintained at all times. The driver records the amount of time spent driving, on-duty not driving, in the sleeper berth, or off duty. The enforcement of the Hours Of Service Rules (HOS) are based upon the entries put in a driver's logbook.
Shipper:

The Logbook Hours Of Service Rules

Acces PDF Daily Driver Log Book Driving Log

For Truck Drivers

This set of logbook examples help explain the various provisions of the Hours-of-Service rules. (The two restart provisions that are currently suspended are not included in this set. These are the requirements for two 1-5 a.m. off-duty periods and the limitation on restart use to once per week (168 hours)).

Logbook Examples | FMCSA

Common names for this form are the driver's daily log, log, or logbook. OTR drivers must fill out a log for each and every day whether they worked or not. Everything you write on the log must be true and correct. You must make all of your own entries (unless something has been preprinted on the log).

How to Fill Out a Truck Driver Log Book | NEW and UPDATED ...

Your learner driver log book or app allows you and your supervising driver to record your driving experience. If you are under 25 years old, you must log at least 120 hours of supervised driving, including a minimum of 20 hours of night driving, before you can attempt the driving test, unless you're exempt.
