From award-winning author G. Willow Wilson, *The Bird King* is an epic journey set during the reign of the last sultan in the Iberian peninsula at the height of the Spanish Inquisition. G. Willow Wilson's debut novel *Alif the Unseen* was an NPR and Washington Post Best Book of the Year, and it established her as a vital American Muslim literary voice. Now she delivers *The Bird King*, a stunning new novel that tells the story of Fatima, a concubine in the royal court of Granada, the last emirate of Muslim Spain, and her dearest friend Hassan, the palace mapmaker. Hassan has a secret—he can draw maps of places he's never seen and bend the shape of reality. When representatives of the newly formed Spanish monarchy arrive to negotiate the sultan's surrender, Fatima befriends one of the women, not realizing that she will see Hassan's gift as sorcery and a threat to Christian Spanish rule. With their freedoms at stake, what will Fatima risk to save Hassan and escape the palace walls? As Fatima and Hassan traverse Spain with the help of a clever jinn to find safety, *The Bird King* asks us to consider what love is and the price of freedom at a time when the West and the Muslim world were not yet separate.

The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. Is someone else's problem your problem? If, like so many others, you've lost sight of your own life in the drama of tending to someone else's, you may be codependent--and you may find yourself in this book--Codependent No More. Purchase, therefore, this easy-to-follow guidebook that includes the steps on how to take screenshots of the pages you need to save the other much-needed information to help you easily navigate through the Kindle Paperwhite and get the best out of it.

The New York Times bestseller Shortlisted for the 2020 Financial Times & McKinsey Business Book of the Year Netflix cofounder Reed Hastings reveals for the first time the unorthodox culture behind one of the world's most innovative, imaginative, and successful companies There has never before been a company like Netflix. It has led nothing short of a revolution in the entertainment industries, generating billions of dollars in annual revenue while capturing the imaginations of hundreds of millions of people in over 190 countries. But to reach these great heights, Netflix, which launched in 1998 as an online DVD rental service, has had to reinvent itself over and over again. This type of unprecedented flexibility would have been impossible without the counterintuitive and radical management principles that cofounder Reed Hastings established from the very beginning. Hastings rejected the conventional wisdom under which other companies operate and defied tradition to instead build a culture focused on freedom and responsibility, one that has allowed Netflix to adapt and innovate as the needs of its members and the world have simultaneously transformed. Hastings set new standards, valuing people over process, emphasizing innovation over efficiency, and giving employees context, not controls. At Netflix, there are no vacation or expense policies. At Netflix, adequate performance gets a generous severance, and hard work is irrelevant. At Netflix, you don't try to please your boss, you give candid feedback instead. At Netflix, employees don't need approval, and the company pays top of market. When Hastings and his team first devised these unorthodox principles, the implications were unknown and untested. But in just a short period, their methods led to unparalleled speed and boldness, as Netflix quickly became one of the most loved brands in the world. Here for the first time, Hastings and Erin Meyer, bestselling author of *The Culture Map* and one of the world's most influential business thinkers, dive deep into the controversial ideologies at the heart of the Netflix psyche, which have generated results that are the envy of the business world. Drawing on hundreds of interviews with current and past Netflix employees from around the globe and never-before-told stories of trial and error from Hastings's own career, *No Rules Rules* is the fascinating and untold account of the philosophy behind one of the world's most innovative, imaginative, and successful companies.

On December 17, 1903, in a fragile little plane which they had built at home for less than \$1,000, Wilbur and Orville Wright made the first powered flights in the history of mankind—and opened the Air Age. Why did these two brothers, mechanics by trade, succeed where trained scientists—working with unlimited funds and the backing of great institutions—had repeatedly failed? In this biography, authorized by Orville Wright and first published in 1943, Fred Kelly separates fact from legend and recreates the dramatic achievements of two men, self-taught inventors, who solved the “impossible” problem of flight. *The Wright Brothers* is a story of total adventure—the sharp physical adventure of flight in perilously frail machines, and the breathtaking intellectual adventure of minds discovering through tireless research and sudden, brilliant hunches the solution to the “impossible” problem of flight. Fred Kelly is recognized as one of the world's

Access Free To Kindle Paperwhite

foremost authorities on the Wright brothers—their growth, their struggles, their disappointments and their ultimate triumph. For more than thirty years he was a personal friend of Orville Wright and talked with him daily while writing this book. The result is a vivid recreation of the birth and pioneer days of aviation and an intimate, affectionate portrait of two men whose inventive genius changed the world. “ A gripping book on a fascinating subject... ” —Boston Globe

"The Paperwhite is the handiest, best value e-reader, and is your portal to an infinite universe of education and entertainment -- and this handy book helps you get the maximum bang for your Kindle bucks"--Provided by publisher.

In a 25th anniversary, behind-the-scenes account of the making of the cult-classic film, the lead actor shares never-before-told stories and exclusive photographs as well as interviews with Robin Wright, Billy Crystal and more. 100,000 first printing.
