Legend of the Red Dragon (Lord)

In "Dragon Lords: The History and Legends of Viking England," Eleanor Parker takes a look at the Vikings, why they came, and what they did, and finds a far richer story than the received wisdom. Analyzing the myths, legends, and poetry of the period, she finds a complex and fascinating story. Some came for plunder, yes.

First off, thanks to Hachette Audio and Libro.fm for an audio copy of Fool's Gold (The Dragon Lords #1) in exchange for an honest review. Receiving this audio copy does not influence my thoughts or opinions on the novel or author. One of the easiest recommendations I can make if you enjoy audiobooks.

Why did the Vikings sail to England? Were they indiscriminate raiders, motivated solely by bloodlust and plunder? One narrative, the stereotypical one, might have it so. But locked away in the buried history of the British Isles are other, far richer and more nuanced, stories; and these hidden tales paint a picture very different from the ferocious pillagers of popular repute. Eleanor Parker here unlocks secrets that point to more complex motivations within the marauding army that in the late ninth century voyaged to the shores of eastern England in its sleek, dragon-prowed longships. Exploring legends from forgotten medieval texts, and across the varied Anglo-Saxon regions, she depicts Vikings who came not just to raid but also to settle personal feuds, intervene in English politics and find a place to call home. Native tales reveal the links to famous Vikings like Ragnar Lothbrok and his sons; Cnut; and Havelok the Dane. Each myth shows how the legacy of the newcomers can still be traced in landscape, place-names and local history. This book uncovers the remarkable degree to which England is Viking to its core.

Moonbeam Children's Book Award double silver medalist...

"MADE ME WANT TO CHEER." ¾Harlan Ellison Arthur, warlord of Britain, has forged a mercenary army more savage and terrible than the Saxon barbarians who have invaded his island. Victory isn't enough: now Arthur wants to annihilate the Saxons by becoming The Dragon Lord. Mael and Starkad, an Irish adventurer and his giant Danish companion, are peerless warriors in a warrior age; men who have fought all across Europe for survival and pay¾and always for each other. Now they must seek an ancient skull from which Merlin's wizardry can raise a dragon, and also the weapons by which alone the dragon can be controlled. Accompanied by a priestess older than time, their search takes them from a monster-haunted lake, to the barrow of a thing no longer dead, and to a battlefield where the enmity of Briton and Saxon rises to

a cataclysm which drowns the earth in blood. Yet one task remains. The fiery breath of the dragon Mael and Starkad have helped create can sweep the land clear of all life if it ever escapes from Merlin's control. And the dragon is about to escape! At the publisher's request, this title is sold without DRM (Digital Rights Management).

Interweaving literature, history, and religion, an exquisite meditation on the turning of the seasons in medieval England. *Winters in the World* is a beautifully observed journey through the cycle of the year in Anglo-Saxon England, exploring the festivals, customs, and traditions linked to the different seasons. Drawing on a wide variety of source material, including poetry, histories, and religious literature, Eleanor Parker investigates how Anglo-Saxons felt about the annual passing of the seasons and the profound relationship they saw between human life and the rhythms of nature. Many of the festivals celebrated in the United Kingdom today have their roots in the Anglo-Saxon period, and this book traces their surprising history while unearthing traditions now long forgotten. It celebrates some of the finest treasures of medieval literature and provides an imaginative connection to the Anglo-Saxon world.

Meet the daughters of King Arthur's descendant, Merin Pendragon. They have an appetite for adventure and a gift for driving men wild with desire. Marrying them off may seem an easy task, but it's only going to prove that when it comes to these girls, trouble follows in threes. Join New York Times bestselling author Bertrice Small for a delicious new tale of proud, passionate sisters who live and love according to their own rules. . . The Dragon Lord's Daughters Averil She may be the Lord's eldest--and illegitimate--daughter, but Averil knows her dazzling beauty can buy her what she wants most: marriage to a great and powerful lord. But fate has other plans in the rugged form of Rhys FitzHugh. Thinking her the sole heiress, the penniless bailiff kidnaps the beauty. Now, to salvage his honor, he must marry the openly hostile Averil and accept his greatest challenge--winning her love, her loyalty, and her trust. . . Maia As the legitimate heiress with a hefty dowery, Maia can have any man she chooses, namely Emrys Llyn, a descendant of Lancelot and the Lady of the Lake. But strange, dangerous rumors surround the handsome Emrys. . .his name means "immortal," and two of his wives have died suddenly under mysterious circumstances. Can her unwavering love prove his innocence. . .or will Maia suffer the same fate as Emrys's previous wives? Junia As charming as she is irrepressible, Junia is the Lord's youngest daughter. Her father has long since given up trying to control her whims. Junia is content to roam the countryside where she can be alone with the golden-haired Richard de Bohun who she meets and loves in secret. But he is the son of her father's sworn enemy, and loving him may cost more than she could ever imagine. . . Bertrice Small is the author of over thirty-two novels of historical romance. She is a New York Times bestselling author, and the recipient of numerous awards. In keeping with her profession, Bertrice Small lives in the oldest English-speaking town in the state of New York, which was founded in 1640. And because she believes in happy endings, she's been married to the same man, her hero, George, for forty years.

"Outstanding." - The Sunday Times "Beautifully written." The Times "Superbly adroit." The Spectator "Excellent." BBC History Magazine The Battle of Hastings and its aftermath nearly wiped out the leading families of Anglo-Saxon England - so what happened to the children this conflict left behind? *Conquered* offers a fresh take on the Norman Conquest by exploring the lives of those children, who found themselves uprooted by the dramatic events of 1066. Among them were the children of Harold Godwinson and his brothers, survivors of a family shattered by violence who were led by their courageous grandmother Gytha to start again elsewhere. Then there were the last remaining heirs of the Anglo-Saxon royal line - Edgar Ætheling, Margaret, and Christina - who sought refuge in Scotland, where Margaret became a beloved queen and saint. Other survivors, such as Waltheof of Northumbria and Fenland hero Hereward, became legendary for rebelling against the Norman conquerors. And then there were some, like Eadmer of Canterbury, who chose to influence history by recording their own memories of the pre-conquest world. From sagas and saints' lives to chronicles and romances, Parker draws on a wide range of medieval sources to tell the stories of these young men and women and highlight the role they played in developing a new Anglo-Norman society. These tales - some reinterpreted and retold over the centuries, others carelessly forgotten over time - are ones of endurance, adaptation and vulnerability, and they all reveal a generation of young people who bravely navigated a changing world and shaped the country England was to become.

This essay collection is a wide-ranging exploration of Vikings, the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy. From a range of critical viewpoints, these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show's richly textured dramatization of the rise and fall of Ragnar Loobrok--and the exploits of his heirs--creating what many viewers label a "true" representation of the age. From the show's sources in both saga literature and Victorian revival, to its engagement with contemporary concerns regarding gender, race and identity, via setting, sex, society and more, this first book-length study of the History Channel series appeals to fans of the show, Viking enthusiasts, and anyone with an interest in medievalist representation in the 21st century.

Essays looking at the links between England and Europe in the long thirteenth century.
