For courses in Study Skills and Developmental Reading. A comprehensive study skills book that covers all the skills necessary for a student to succeed in college. Addressed to meet the needs of today's diverse college population—students of all learning styles, ages, and backgrounds—this text focuses on a broad range of study strategies. The book is based on the premise that all students can be successful if they learn to apply appropriate strategies. Acknowledging that specific strategies for developing such skills will differ according to each student's individual learning style and training, it offers presentations and activities in many different modalities.

The second edition of Effective Grading—the book that has become a classic in the field—provides a proven hands-on guide for evaluating student work and offers an in-depth examination of the link between teaching and grading. Authors Barbara K. Walvoord and Virginia Johnson Anderson explain that grades are not isolated artifacts but part of a process that, when integrated with course objectives, provides rich information about student learning, as well as being a tool for learning itself. The authors show how the grading process can be used for broader assessment objectives, such as curriculum and institutional assessment. This thoroughly revised and updated edition includes a wealth of new material including: Expanded integration of the use of technology and online teaching A sample syllabus with goals, outcomes, and criteria for student work New developments in assessment for grant-funded projects Additional information on grading group work, portfolios, and service-learning experiences New strategies for aligning tests and assignments with learning goals Current thought on assessment in departments and general education, using classroom work for program assessments, and using assessment data systematically to “close the loop” Material on using the best of classroom assessment to foster institutional assessment New case examples from colleges and universities, including community colleges \*When the first edition of Effective Grading came out, it quickly became the go-to book on evaluating student learning. This second edition, especially with its extension into evaluating the learning goals of departments and general education programs, will make it even more valuable for everyone working to improve teaching and learning in higher education.\* –L. Dee Fink, author, *Creating Significant Learning Experiences* “Informed by encounters with hundreds of faculty in their workshops, these two accomplished teachers, assessors, and faculty developers have created another essential text. Current faculty, as well as graduate students who aspire to teach in college, will carry this edition in a briefcase for quick reference to scores of examples of classroom teaching and assessment techniques and ways to use students' classroom work in demonstrating departmental and institutional effectiveness.” –Trudy W. Banta, author, *Designing Effective Assessment*

One of the most influential teaching guides ever—updated! Teach Like a Champion 2.0 is a complete update to the international bestseller. This teaching guide is a must-have for new and experienced teachers alike. Over 700,000 teachers around the world already know how the techniques in this book turn educators into classroom champions. With ideas for everything from classroom management to inspiring student engagement, you will be able to perfect your teaching practice right away. The first edition of Teach Like a Champion influenced thousands of educators because author Doug Lemov's teaching strategies are simple and powerful. Now, updated techniques and tools make it even easier to put students on the path to college readiness. Here are just a few of the brand new resources available in the 2.0 edition: Over 70 new video clips of real teachers modeling the techniques in the classroom (note: for online access of this content, please visit my.teachlikeachampion.com) A selection of never before seen techniques inspired by top teachers around the world Brand new structure emphasizing the most important techniques and step by step teaching guidelines Updated content reflecting the latest best practices from outstanding educators With the sample lesson plans, videos, and teachlikeachampion.com online community, you will be teaching like a champion in no time. The classroom techniques you'll learn in this book can be adapted to suit any context. Find out why Teach Like a Champion is a "teaching Bible" for so many educators worldwide.

Properly crafted and individually tailored feedback on student work boosts student achievement across subjects and grades. In this updated and expanded second edition of her best-selling book, Susan M. Brookhart offers enhanced guidance and three lenses for considering the effectiveness of feedback: (1) does it conform to the research, (2) does it offer an episode of learning for the student and teacher, and (3) does the student use the feedback to extend learning? In this comprehensive guide for teachers at all levels, you will find information on every aspect of feedback, including • Strategies to uplift and encourage students to persevere in their work. • How to formulate and deliver feedback that both assesses learning and extends instruction. • When and how to use oral, written, and visual as well as individual, group, or whole-class feedback. • A concise and updated overview of the research findings on feedback and how they apply to today's classrooms. In addition, the book is replete with examples of good and bad feedback as well as rubrics that you can use to construct feedback tailored to different learners, including successful students, struggling students, and English language learners. The vast majority of students will respond positively to feedback that shows you care about them and their learning. Whether you teach young students or teens, this book is an invaluable resource for guaranteeing that the feedback you give students is engaging, informative, and, above all, effective.

Raise the academic bar for your students and watch their confidence and success skills increase. **STUDENT SUCCESS IN COLLEGE: DOING WHAT WORKS!, SECOND EDITION** provides an accessible and relevant way for students to move beyond opinions and advice about how to succeed in college by offering an integrated approach of research-backed student success practices paired with student success research studies. Students learn how to put skills for success into practice as they strive to accomplish their academic goals. With an overall theme of reading, critical thinking, and information literacy skills, the text helps students feel comfortable with the structure of research study articles, making it more likely that they will successfully use these higher level sources earlier in their academic careers. By increasing academic rigor, **STUDENT SUCCESS IN COLLEGE: DOING WHAT WORKS!, SECOND EDITION** builds research-based knowledge about what study skills work; teaches students how to engage with scholarly sources; provides opportunities for students to actively read, critically think, and enhance information literacy skills; and supports students to increase their self-efficacy and motivation. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

All college students should enjoy the greatest amount of academic success possible. **College Success Strategies** gives students an insider's perspective on the complex process of college-level learning by describing how to: Transfer high school skills to college Develop a winning attitude and become an active learner Improve academic performance by understanding their own values and beliefs Deal with newfound stress and manage study time Use the latest technology and get the most out of lectures and note-taking Read faster and prepare for all types of exams and assignments **College Success Strategies** includes real-life stories, success summaries, self-assessment quizzes and an interactive website to help students make a smart transition to college.

"In addition to extensive and effective training on every aspect of the SAT, the SAT Black Book gives you detailed, systematic, easy-to-follow walkthroughs for every question in 4 of the College Board's official SAT Practice Tests. The Black Book is a must-have in your SAT preparation, whether you need to - make a perfect 1600 to be competitive at an Ivy, score a 450 in each section to claim a sports scholarship, or anything in between."--Publisher.

This book is a practical guide for any student considering enrollment in, currently enrolled in, or recently graduated from an online course. The authors, both with substantial online teaching and learning experience as well as seasoned professionals, deliver concise guidance to make the online learning journey enjoyable, productive, and most of all, worthwhile. Major topics include how to identify the best online program; comparing online with traditional education programs; finding an ideal work-life balance; managing time and staying organized; how to form good habits to maximize your chances for success; getting the most out of an online learning environment; and using your online education to succeed in your career. As the singular guide to success as an online learner, this practical book serves as the essential desk reference for every online student.

This is the long-awaited update on the bestselling book that offers a practical, accessible reference manual for faculty in any discipline. This new edition contains up-to-date information on technology as well as expanding on the ideas and strategies presented in the first edition. It includes more than sixty-one chapters designed to improve the teaching of beginning, mid-career, or senior faculty members. The topics cover both traditional tasks of teaching as well as broader concerns, such as diversity and inclusion in the classroom and technology in educational settings.
