Now revised and updated to incorporate numerous new materials, this is the major source for researching American Christian activity in China, especially that of missions and missionaries. It provides a thorough introduction and guide to primary and secondary sources on Christian enterprises and individuals in China that are preserved in hundreds of libraries, archives, historical societies, headquarters of religious orders, and other repositories in the United States. It includes data from the beginnings of Christianity in China in the early eighth century through 1952, when American missionary activity in China virtually ceased. For this new edition, the institutional base has shifted from the Princeton Theological Seminary (Protestant) to the Ricci Institute for Chinese-Western Cultural Relations at the University of San Francisco (Jesuit), reflecting the ecumenical nature of this monumental undertaking.

Control or be controlled . . . Stefan and Damon thought they knew evil. But nothing compares to Samuel, the ruthless vampire hell-bent on avenging Katherine's death by destroying the Salvatore brothers. Reeling from Samuel's latest attack, Stefan and Damon find help in the most unlikely of places—a secret coven of witches. Together they discover Samuel's plan is more sinister than they ever could have imagined. Their only hope is to stop him before he secures the power to control humans and vampires alike. If they fail, not only Stefan and Damon but all of London will fall victim to Samuel's spell. Based on the popular CW TV show inspired by the bestselling novels, Stefan's Diaries reveals the truth about what really happened between Stefan, Damon, and Katherine—and how the Vampire Diaries love triangle began.
