Engineering Surveying Fifth Edition - orrisrestaurant.com

A truly fantastic book on the subject of engineering surveying that goes well into the nuts and bolts of many surveying problems that other texts skim over. I've found the chapter on rigorous control to deliver information that I could not find elsewhere, and this is a book you'll normally see on my desk rather than the shelf behind it.

Engineering Surveying, Sixth Edition: Schofield, W -

The subject of engineering surveying continues to develop at a rapid pace and this has been reflected in the many and substantial changes that have been made in updating and revising the previous edition. The authors have taken the opportunity to examine in detail all the previous material making both minor and major changes throughout.
