Accounting Insight - A Practical Accounting Tutorial Book That Uses Real World Accounting Documents "Accounting Insight" uses the every day records (the sales invoices, purchase invoices, bank cheque and paying-in books e.t.c.) of a sample business case to guide you through the preparation of accounts. It is a fact that these everyday records account for the majority (over 90%) of the accounting transactions of the average business. So by using the knowledge in this book you can do a lot of the bookkeeping/accounting for a business. In addition, the sample sales invoices in the e-book can be used to practice using the free trial accounting software from companies like Intuit Inc or Sage. Benefits of the Accounting Insight book - Acquire a clear understanding of the cornerstone of all accounting/book-keeping through practice thus aiding ones business or accounting career. -Learn how to keep business accounting records for life. -Learn at your own pace without the distractions and stresses of the work place. -Understand the double entry concept of accounting the easy way. A Memorable Learning Experience Learning by doing and using colorful samples makes this course a practical, memorable and stimulating acquisition of essential knowledge for business people, accountancy trainees and anyone who needs or wants to understand accounting and accounts in their profession or work. With no external pressure you can learn accounting at your own pace and in your own time - an excellent way to learn. All without the stress of the work place. The language used in the book is mainly non-technical and so anyone can gain a useful insight into accounting easily. Any technical terms are introduced from their ordinary origins, thus making the book suitable for non-accounts staff and managers who need to understand accounting as part of their work. This accounting book is excellent as training material on its own, for use in practical accounting courses, accountancy courses or bookkeeping courses and as practice material for training staff on how to use new accounting software So if you are looking for accounting courses, accounting books or accounting software you have found a useful starting point. Exercise Sheets Exercise sheets to practice with the book are available free at [www.accountinginsight.com](http://www.accountinginsight.com)

For each accounting cycle, the author discusses the functions of the cycle, the source documents to the cycle, who processes what, the outputs of the cycle, and document flow charts.
