*Winters, Ashley ...*

Faking Delinquency is definitely a breath of fresh air. From the basic plot line it seems like this book should be bogged down with the cliché. But Ashley writes in such an original and graceful way that the entire story reads like something new.

## *Faking Delinquency by Ashley Winters Book Reviews*

Ashley Winters, eighteen, is currently attending the University of Maine at Farmington and majoring in creative writing. Most of her time is spent writing or thinking about writing, and the rest is spent reading or fan girling about people who don't actually exist. She loves God, her family, her friends, many, many fictional people, and pretty much anyone who makes a pun.
