Discovering the Life Span: Books a la Carte Edition—

Discovering the Life Span by Robert S. Feldman, 2017, Pearson Education Canada edition, in English

Discovering the Life Span (2017 edition) | Open Library

Discovering the Lifespan provides a broad overview of the field of human development and features a strong balance of research and application. In a unique departure from traditional lifespan development texts, each chapter is divided into three modules, and in turn, each module is divided into several smaller sections.
