In this way formal education would broadly approximate to top-down curriculum formation; non-formal to bottom-up or negotiated curriculum formation; and informal education would arguably be a non-curriculum form (see Jeffs and Smith 1990: 14-17).

Informal, non-formal and formal education programmes ...

DESCRIPTION. This Policy Brief provides insights into the characteristics of people using home care services in Slovenia and how these services are used either alone or in combination with informal care. The authors find that although informal care accounts for the largest share of care received by older people living in the community and formal care only is more often used by men than by women, with age, the use of the formal-informal care mix increases significantly.

These formal controls help to secure alignment as all actors have to comply with a standard. Formal controls are best used when the principal is not dependent on the agent, and thus is able to keep the agent at arm's length. Informal control mechanisms on the other hand involve collaboration, building trust and fostering strong relationships.
