Music is the best teacher and no one knows this better than Patsy Ford Simms. Realizing the need for a fun and motivational way to teach the sensitive and important subject of slavery and the fight for freedom, Patsy set about the task of writing a musical for children that would accomplish this goal. She did it with flare, using Harriet Tubman as the key figure for this musical. Easy, memorable, and historically accurate, this is a must for every older elementary and middle school group. Grades four through eight.

People running from slavery made many hard journeys to find freedom—on steamboats and in carriages, across rivers and in hay-covered wagons. Some were shot at. Many were chased by slave catchers. Others hid in tunnels and secret rooms. But these troubles were worth it for the men, women, and children who eventually reached freedom. Freedom Train North tells the stories of fugitive slaves who found help in Wisconsin. Young readers (ages 7 to 12) will meet people like Joshua Glover, who was broken out of jail by a mob of freedom workers in Milwaukee, and Jacob Green, who escaped five times before he finally made it to freedom. This compelling book also introduces stories of the strangers who hid fugitive slaves and helped them on their way, brave men and women who broke the law to do what was right. As both a historian and a storyteller, author Julia Pferdehirt shares these exciting and important stories of a dangerous time in Wisconsin's past. Using manuscripts, letters, and artifacts from the period, as well as stories passed down from one generation to another, Pferdehirt takes us deep into our state's past, challenging and inspiring us with accounts of courage and survival.

Now in paperback, an enthralling account of a young boy's struggle to help freedom triumph over fear in the 1940s American South. It's 1947, and twelve-year-old Clyde Thomason is proud to have an older brother who guards the Freedom Train—a train that is traveling to all forty-eight states carrying the country's most important documents, including the Declaration of Independence and the Bill of Rights. Clyde is chosen to say the Freedom Pledge at the train's stop in Atlanta, but his terrible stage fright forces him to refuse the honor. Instead, it's the class bully, Phillip, who gets selected, and he begins to torment Clyde. When an African-American boy saves him from a beating, Clyde is shocked. Especially when he learns that William lives in the white part of town. How can this be? And why can't he bring himself to be friends with William? Clyde hasn't told his parents he won't perform the pledge, nor has he mentioned his confusing friendship with a boy of color. So when the townspeople threaten William's family, Clyde has a choice to make: Will he keep quiet, or stand up for real freedom? Ideal for classrooms, Freedom Train contains historical photos of the Freedom Train and its guards, as well as an author's note that provides additional information about the history of the Freedom Train.

The breathtaking memoir by a member of "Nicky's family," a group of 669 Czechoslovakian children who escaped the Holocaust through Sir Nicholas Winton's Kindertransport project, My Train to Freedom relates the trials and achievements of award-winning humanitarian and former Episcopal priest, Ivan Backer. As Backer recounts in his memoir, in May of 1939 as a ten-year-old Jewish boy, he fled Nazi-occupied Czechoslovakia for the United Kingdom aboard one of the Kindertransport trains organized by Nicholas Winton, a young London stockbroker. The final train was canceled September 1 when Hitler invaded Poland. The 250 children scheduled for that train were left on the platform and later transported to concentration camps and presumably perished. Detailed in this page-turning true story is Backer's dangerous escape, his boyhood in England, his perilous 1944 voyage to America, and his mantra today. Now he is an eighty-six-year-old who remains an activist for peace and justice. He has been influenced by his Jewish heritage, his Christian boarding school education in England, and the always present question, "For what purpose was I spared the Holocaust?" My Train to Freedom was thoroughly researched and shaped by Backer's own memories. It includes interviews he conducted in 1980 in Czech with his mother and her sister, later translated into English; a collection of conversations he had with his older brother and cousin; insights gained from the Czech film, Nicky's Family, about the Kindertransport; and concludes with never-before-published death march accounts by two family members.
