The Foundations were a surprisingly obscure late-'60s outfit, considering that they managed to reach the tops of the both the British and American charts more than once in the space of a year and had a solid three years of recordings. At the time of their debut in mid-1967, they were hailed as being among the most authentic makers of soul music ever to emerge from England -- the best ...

The teaching in Foundations was originally developed within the context of a local church and, over the years, has been delivered all over the world in a number of ways and a wide variety of settings. Whether run as a group meeting, through a one-to-one discipleship relationship, or as a one-day course, the easy-to-follow sessions, supported by biblical truth, make this course an essential ...

The Foundations were a British soul band, active from 1967 to 1970. They evolved out of a group called The Ramong Sound. They were an eight man multi-racial group made up of three white Londoners, four West Indians and a Sri Lankan. For approximately one and a half months Arthur Brown was in the group.

~~The Foundations | Discography | Discogs~~

From Wikipedia, the free encyclopedia " Foundations " is a song co-written by British singer-songwriter Kate Nash for her debut album, Made of Bricks (2007). It was released as the album's lead single in June 2007, her first single since signing with Fiction Records after the success of her debut single " Caroline's a Victim ".

Likewise, the foundation isn't just holding the house up, it's also acts as a stabiliser to prevent lateral movement (that is, movement from side to side). We're not just talking slippage and subsidence here - although both of those are certainly made worse by poor foundations). We're talking about things like storms, rains, high winds, and other inclement weather conditions that can ...
