George Washington comes alive in this fascinating activity book that introduces the leader to whom citizens turned again and again—to lead them through eight long years of war, to guide them as they wrote a new Constitution, and to act as the new nation's first executive leader. Children will learn how, shortly after his death in 1799, people began transforming George Washington from a man into a myth. But Washington was a complex individual who, like everyone, had hopes and fears, successes and failures. In his early 20s, for instance, Washington's actions helped plunge Great Britain and France into war. He later fought for liberty and independence, yet owned slaves himself (eventually freeing them in his will). This book weaves a rich tapestry of Washington's life, allowing kids to connect with his story in 21 hands-on projects based on his experiences and the times in which he lived. Children will learn how to tie a cravat, write with a quill pen, follow animal tracks, sew a lady's cap, plant a garden, roll a beeswax candle, play a game of Quoits, and make a replica of Washington's commander-in-chief flag. The text includes a time line, glossary, websites, travel resources, and a reading list for further study.

"A lively life and drum playing Yankee-Doodle-Dandy welcome the listeners...A narrative tone that is sincere and respectful and a slow, even pace afford the young listener time to absorb facts." - AudioFile Magazine

Franklin Delano Roosevelt's enduring legacy upon the history, culture, politics, and economics of the United States is introduced to children in this engaging activity book. Kids will learn how FDR, a member of one of the founding families of the New World, led the nation through the darkest days of the Great Depression and World War II as 32nd U.S. President. This book examines the Roosevelt family—including famous cousin Teddy Roosevelt and First Lady Eleanor Roosevelt—as well as FDR's early political career and subsequent 12 years in office during some of the most fascinating and turbulent times in American history. Interspersed throughout are first-hand accounts from the people who knew FDR and remember him well. Children will also learn how his personal struggles with polio and his physical disability strengthened FDR's compassion and resolve. In addition, kids will explore Roosevelt's entire era through such hands-on activities as staging a fireside chat, designing a WPA-style mural, sending a double encoded message, hosting a swing dance party, and participating in a political debate.

Children will delight at this little-known-story about our nation's first president, George Washington, that makes for perfect President's Day readers! Boom! Bang! Guns fire! Cannons roar! This Step 3 History Reader is about George Washington fighting in the American Revolution. He sees a dog lost on the battlefield. Whose dog is it? How will it find its master? Early readers will be surprised to find out what happens in this little-known true story about America's first president. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. These books are for children who are ready to read on their own.

We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Learn all about George Washington, America's first president. George Washington was one of the greatest leaders the world has ever known. He was never afraid to be the first to try something, from exploring the woods around his childhood home to founding a brand new nation, the United States of America. With his faith in the American people and tremendous bravery, he helped win the Revolutionary War and became the country's first president. Each picture book in this series is a biography of a significant historical figure, told in a simple, conversational, vivacious way, and always focusing on a character trait that makes the person a role model for kids. The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. And each book ends with a line of encouragement, a direct quote, photos, a timeline, and a source list.

What if you lived in the White House? The Kennedy Center gives you a sneak peek inside!

The life of George Washington for kids—a story about fighting for independence and building a country George Washington became the first president of the United States of America and is known as the father of our country. He won the fight for American independence from England, but before that, he was a hardworking kid who enjoyed challenging himself in school and sports. He learned that overcoming challenges in his life would help make him a great leader. Explore how George went from being an ambitious farm boy in Virginia to the most well-known founding father in American history. How will his revolutionary spirit inspire you? This book about George Washington for kids includes: See George's progress—Unlike other books about George Washington for kids, this one has a visual timeline of his life so you can get a picture of his important milestones. Helpful definitions—Discover a glossary with easy-to-understand definitions for the more advanced words and ideas in this book about George Washington for kids. A lasting legacy—This unique book about George Washington for kids explains how he changed the world for future generations and you. If you've been searching for fun, colorful books about George Washington for kids, look no further—this one has it all!

George Washington Carver was born into the violent era of slavery, yet he had big ideas. The first was to get an education. That meant leaving his Missouri home at a young age, washing people's clothes to pay for school, moving from town to town, and fleeing a lynch mob. Carver's second big idea was to serve others. After becoming the first black graduate from Iowa Agricultural College, Carver took a teaching position at the Tuskegee Institute founded by Booker T. Washington. Carver taught farmers how to nourish the soil, conserve waste, and feed their families. He developed hundreds of new products from the sweet potato, peanut, and other crops, and his discoveries gained him a place in the national spotlight. Today his concepts of conservation, zero waste, and plant-based products are on the cutting edge of science. George Washington Carver for Kids tells his inspiring story and includes a timeline, resources for further research, and 21 hands-on activities to better appreciate Carver's genius.

This valiant story of how young George Washington was drawn into his country's struggle for independence gives readers a vivid perspective on a crucial era in American history—and on the life of a revolutionary hero.

Presents an analysis of the president's lesser-known roles as a slave owner, sharing the experiences of the slave cooks, overseers, house workers, and farm hands at Mount Vernon while exploring how slave ownership shaped Washington's views.
