Getting Naked: A Business Fable About Shedding The Three

Write a review. Jan 20, 2012 Michael rated it really liked it. "Getting Naked" is a metaphor advanced in a new book by the prolific and insightful Patrick Lencioni, about how to build a culture of client service excellence by helping people shed their fears, baggage, and ego in any business for which dealing with clients is a driver of success. The book, which takes the form of an accessible if sometimes contrived first-person story, focuses on the fears that effect all of us in client ...

Getting Naked: A Business Fable about Shedding the Three

When a small boutique consulting firm gets bought out by one of its biggest competitors, they teach the more senior consulting firm a lesson in how to win over clients. Using "the naked service" business model, they show how vulnerability and transparency are the keys to customer loyalty. In the fable, the fictional character of Jack Bauer learns how to shed the three big fears of any business, by "getting naked," and becoming more real to their potential clients, instilling trust ...

Author, speaker and management consultant Lencioni (The Three Signs of a Miserable Job) preaches a business model that may seem antithetical to many, which he calls "getting naked": being unafraid to show vulnerability, admit ignorance, and ask the dumb questions when dealing with clients. Lencioni's central argument is that by focusing on sales, rather than communication, consultants miss the key part of their job—consulting—and therefore lose out on valuable long-term client relationships.
