Under globalization, politics can take place above the state through political integration schemes such as the European Union and through intergovernmental organizations such as the International Monetary Fund, the World Bank and the World Trade Organization. Political activity can also transcend national borders through global movements and NGOs.

Globalization of Politics - Global Policy Forum

Globalization affects the political stage by moving away from a national, territorial system and towards a unilateral integrated system. This allows for less focus on independent rights and economies and much greater focus on world events, local crises, human rights and global development, according to Global Policy.
