Google Forms are the best tool for creating online polls, surveys, quizzes, and questionnaires. The form submissions are automatically stored in Google Spreadsheets, making it easier for you to analyse the submissions, and your forms can receive an unlimited number of responses.

### [How to Automatically Create PDFs with Google Form ...](#)

The form has a built-in tool to review responses, or you can click on the green Sheets icon to jump to the responses captured inside of a spreadsheet. My favorite way to view responses is in the spreadsheet view, right inside of Google Sheets. It's easy to scroll through even a lengthy list of responses in to find out your audience's thoughts. If you need to jump back to the form editor, return to the sheet you created and click on Form > Edit Form. That's it, now you know how to create web ...
