one of the most-performed rock songs in history. It has become a staple of movies and television shows as diverse as *Shrek* and *The West Wing*, of tribute videos and telethons. It has been covered by hundreds of artists, including Bob Dylan, U2, Justin Timberlake, and k.d. lang, and it is played every year at countless events—both sacred and secular—around the world. Yet when music legend Leonard Cohen first wrote and recorded “Hallelujah,” it was for an album rejected by his longtime record label. Ten years later, charismatic newcomer Jeff Buckley reimagined the song for his much-anticipated debut album, *Grace*. Three years after that, Buckley would be dead, his album largely unknown, and “Hallelujah” still unreleased as a single. After two such commercially disappointing outings, how did one obscure song become an international anthem for human triumph and tragedy, a song each successive generation seems to feel they have discovered and claimed as uniquely their own? Through in-depth interviews with its interpreters and the key figures who were actually there for its original recordings, acclaimed music journalist Alan Light follows the improbable journey of “Hallelujah” straight to the heart of popular culture. *The Holy or the Broken* gives insight into how great songs come to be, how they come to be listened to, and how they can be forever reinterpreted.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

A collection of writings examining the multitalented star’s significance to music, culture, and society. Who runs the world? The Beyhive knows. From the Destiny’s Child 2001 hit single

“Survivor” to her 2019 jam “7/11,” Beyoncé Knowles-Carter has confronted dominant issues around the world. Because her image is linked with debates on race, sexuality, and female empowerment, she has become a central figure in pop music and pop culture. *Beyoncé: At Work, On Screen, and Online* explores her work as a singer, activist, and artist by taking a deep dive into her songs, videos, and performances, as well as responses from her fans. Contributors look at Beyoncé’s entire body of work to examine her status as a canonical figure in modern music and do not shy away from questioning scandals or weighing her social contributions against the evolution of feminism, critical race theory, authenticity, and more. Full of examples from throughout Beyoncé’s career, this volume presents listening as a political undertaking that generates meaning and creates community. Beyoncé contends that because of her willingness to address societal issues within her career, Beyoncé has become an important touchstone for an entire generation—all in a day’s work for Queen Bey. Iddon and Marshall’s *Beyoncé* is poised to expand critical conversations about the biggest and most influential pop star of the 21st century. Daphne Brooks, author of *Bodies in Dissent: Spectacular Performances of Race and Freedom, 1850-1910*

(Easy Fake Book). This is a beginning fake book for players new to “faking.” By using a fake book, musicians learn to “fake” an accompaniment to a melody, playing chords as indicated. This book is designed for those players just acquiring this important musical skill. It includes 100 favorite songs that belong in all musicians’ repertoire library, including standards, pop hits, Broadway and movie songs, folk favorites, and much more. All the songs are in the key of C and include easy-to-read, large notation complete with lyrics. Chords have been simplified, but

## Download File PDF Hallelujah Alexandra Burke Piano Score

remain true to each tune. This book even includes an introduction on how to use a fake book. Songs include: Beauty and the Beast \* Bewitched \* Blackbird \* Can You Feel the Love Tonight \* Do-Re-Mi \* Don't Cry for Me Argentina \* Edelweiss \* Georgia on My Mind \* Heart and Soul \* Hotel California \* I Walk the Line \* Lean on Me \* Let It Be \* A Million Dreams \* Satin Doll \* Stand by Me \* Sweet Caroline \* This Is Me \* Try to Remember \* Unchained Melody \* When I Fall in Love \* When the Saints Go Marching In \* A Whole New World \* Yesterday \* You Made Me Love You (I Didn't Want to Do It) \* and more.

Both Dylan and Cohen have been a presence on the music and poetry landscape spanning six decades. This book begins with a discussion of their contemporary importance, and how they have sustained their enduring appeal as performers and recording artists. The focus then returns to their ambitions when they first started out, arguing that they both shared the aspirations of the Beat Generation of Ginsberg, Kerouac and Corso to be as famous as Dylan Thomas and live the life of his sense of unconditional social irresponsibility. The 'Rimbaud of Cwmdonkin Drive' took America by storm, demonstrating that the bohemian poet could earn a living outside the academy. The fame of Dylan and Cohen, while it fluctuated over the decades, was sustained and was sustainable because they self-consciously adopted different personas, or masks, to distance themselves from the public self. This necessarily requires an exploration of their relation to religion as avenues to find and preserve their inner identities. Their lyrics and poetry are explored in the context of the relation between poetry and song, and of Lorca's concepts of the poetry of inspiration, and the deep dark emotional depths of 'duende.' Such ideas draw upon the dislocation of the mind, and the liberation of the senses

## Download File PDF Hallelujah Alexandra Burke Piano Score

that so struck Dylan and Cohen when they first read the poetry and letters of Arthur Rimbaud and Federico García Lorca. We see that the performance and the poetry are integral, and the 'duende,' or passion, of the delivery, is inseparable from the lyric or poetry, and common to Dylan, Cohen and the Beat Generation.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

This book offers a fresh look at how to learn chords on the piano. In the late morning of May 29, 1953, the sun was shining brightly and a gentle breeze was blowing on the highest elevation of the world--and two men were there to witness it for the first time ever. Their names were Edmund Hillary and Tenzing Norgay, and they had ascended Everest. This is the breathtaking story of how two very different, yet equally determined, men battled frost-biting temperatures, tumbling ice rocks, powerful winds, and death-defying ridges to reach the top of the world's highest mountain. Combining fresh and contemporary illustrations by Joe Todd-Stanton with Alexandra Stewart's captivating writing, this unique narrative tells the story of how Edmund Hillary and Tenzing Norgay made their mark on the
