Although there were some disturbing similarities between When Summer Ends and Slammed, I still loved the story line in When Summer Ends. Apart from the similarities, it was an alright book. The writing definitely needed some work but, it was a pretty reasonable novel. When Summer Ends was actually a pretty big eBook. Glad I read this!

Ano Natsu de Matteru is an anime about a group of friends spending their summer vacation hanging out and filming a movie. Sounds simple, yes? Not quite. It doesn't take very long for the romance and the drama to kick in, where Ano Natsu is most focused. In fact, that STILL might be an understatement. Within the first 4 episodes, all of the love interests of the main characters are well ...
