This course is aimed specifically at grade 10 and 11 secondary school students in the Caribbean who are preparing for their C-SEC examination. The course is divided into three books: Management; Food and Nutrition; and Clothing and Textiles.

Caribbean Home Economics has been designed to equip students with all the essential skills needed for successful home making. The three course books are each divided into a series of sections which consider the following basic topics: the family, food and nutrition, textiles and clothing, consumer education, entertaining. The complete course covers all the requirements of the CXC Home Economics syllabus.

Online Library Home Economic Management Cxc Past Paper

"This volume presents a collection of papers which, with perspectives from Africa and the Caribbean, raise critical issues in the management of solid waste. It is intended to offer a basis for discussion among the wide range of disciplines and sectors involved in solid waste management and suggest directions for future work in the theoretical and practical dimensions of the challenge with which developing countries are confronted"--Back cover.

The new edition of Home Economics in Action has been extensively revised and updated to take account of recent curriculum developments throughout the Caribbean region. This three-book course provides a firm foundation in Home Economics to all lower second
