Strategic Compensation: A Human Resource Management ...
2 Purpose and Topics covered in the Textbook 1 The major objective
of this textbook is to provide an overview of international human
resource management; however, this is a complex term. The field of
international HRM has been characterized by three broad approaches.
The first emphasizes cross-cultural management: examining human
behavior within organizations from an international perspective.

Fundamentals of human resource management

Human resource management is about enabling staff to use their qualities in order to fulfill their role and contribute to the organization ' s mission and purpose. Good human resource management is essential if organizations want to attract and retain good staff. If people see that an organization values its staff, they are more likely to
