"I Am What I Am" is a song originally introduced in the Tony Award-winning Broadway musical *La Cage aux Folles*. The song is the finale number of the musical's first act, and performed by the character of Albin Mougeotte, first played by George Hearn. His version appears on the original cast album released in 1983. The song was composed by Jerry Herman, an openly gay man.

I Am What I Am, a huge Euro  
hit for Gloria in 83/84, has  
long been my personal feel-  
good anthem. I relate  
emphatically to the song's  
self-affirming lyrics, which  
celebrate a strident pride  
in self-identity and  
authenticity, and an  
unyielding defiance in the  
demolition of the self-  
hating closet.

An extraordinary memoir--told entirely in near-death experiences--from one of Britain's bestselling novelists, for fans of Wild, When Breath Becomes Air, and The Year of Magical Thinking. We are never closer to life than when we brush up against the possibility of death. I Am, I Am, I Am is Maggie O'Farrell's astonishing memoir of the near-death experiences that have punctuated and defined her life. The childhood illness that left her in the hospital for nearly a year, which she was not expected

to survive. A teenage yearning to escape that nearly ended in disaster. An encounter with a serial killer on a remote path. And, most terrifying of all, an ongoing, daily struggle to protect her daughter from a condition that leaves her unimaginably vulnerable to life's myriad dangers. Seventeen discrete encounters with Maggie at different ages, in different locations, reveal a whole life in a series of tense, visceral snapshots. In taut prose that vibrates with electricity and a restrained emotion, O'Farrell captures the perils running just beneath the surface, and

"Do read this book if you are seeking. It keeps it simple, yet utterly profound."—Scott Kiloby, author of *Love's Quiet Revolution I Am That I Am* began as a journal, written at the suggestion of author Francis Bennett's spiritual director. It was intended to help Francis clarify and explore the shift in perception that had occurred to him—not only for his own sake, but for those who might seek his spiritual guidance in the future. This deceptively simple book

brings a unique freshness and humanity to the meeting of Christianity with Eastern investigation of the nature of the self. As Francis says, "Who I am is happiness and bliss ... don't take my word for any of this. You can experiment with this on your own and discover for yourself whether or not these claims are true. This little book may be able to assist you in conducting just such an experiment in your own life. That is certainly my hope in writing it."

This is a powerful companion volume to one of the most important spiritual texts of

fiercely loyal mother, Simon's life was on a comfortable trajectory. Then, her fifth baby, Nate, was born with Down Syndrome. Things could have changed with a simple "Congratulations." Instead, the medical staff made the mistake of saying, "I'm sorry." Since the day Nate arrived, Simon has been working to change the world's "sorries" to "congratulations," advocating for all people who have special needs. As founder and executive director of the I Am Who I Am Foundation, Simon has touched thousands of lives with the simple message of

behind I Am Yoga and I Am Peace comes the third book in their wellness series: I Am Human. A hopeful meditation on all the great (and challenging) parts of being human, I Am Human shows that it's okay to make mistakes while also emphasizing the power of good choices by offering a kind word or smile or by saying "I'm sorry." At its heart, this picture book is a celebration of empathy and compassion that lifts up the flawed fullness of humanity and encourages children to see themselves as part of one big imperfect family—millions strong.
