Most of the time, we don't ever truly get over it. I know for myself that I haven't really gotten over my first love, but that doesn't mean that I am not moving forward. I guess what you can do is acknowledge how important your first love was/is in your life and in who you are today, because for me, that's something you can't change.

The top reason why people can't get over their ex is because they really don't want to! You have to "let go" in order to "move on". As long as someone holds out hope for a future reconciliation they will never be over their ex. Other issues involve their (ex) being their "first" real love or relationship.
