~~I Know a Lot! (Empowerment): Amazon.co.uk: Krensky~~

I Know A Lot is another big hit by this author/illustrator duo. The storyline is simple, supportive, encouraging, and fun. The writing has a nice cadence so it is a fun read for those reading aloud to smaller children. There are not too many words on each page which I think is great for infants and toddlers who are eager page turners.

This third book in Stephen Krensky and Sara Gillingham's empowerment series celebrates the feats of growing out of toddlerhood with increased knowledge. Whether comparing heavy rocks to lighter flowers, or noting that the sunlight delineates the day from the night, Krensky and Gillingham acknowledge the "small wins" of understanding the world just a little bit more.

Celebrates a toddler's increasing knowledge of the world, such as that rocks are heavy and flowers are light.

Children and parents alike will delight in this joyous declaration of toddler independence. This book celebrates the feats of growing out of babyhood and starting to embrace the world on your own terms. Whether it's being tall enough to reach a high shelf or brave enough to splash in the waves, Krensky and Gillingham address the small victories that come with growing just a little bit older. Energetic text and retro-fresh illustrations celebrate this important developmental stage with charm and relevance. Note: illustrations are in the style of vintage screen prints, with imperfect variations in color and texture. Praise for I Can Do It Myself "Short and satisfying, these 'empowering celebrations' of burgeoning independence will encourage small children to see how far they've already come." "The Wall Street Journal" "Krensky celebrates the increasing independence of toddlers and their pride of accomplishment." "The Horn Book Awards The Canadian Children's Book Centre's Best Books for Kids & Teens - Spring 2013 Toronto Public Library system's "First & Best" Reading Program

This fourth book in the empowerment series celebrates the feats of growing out of toddlerhood with courage and success. Whether it's petting a dog or waving good-bye to a parent, Krensky and Gillingham address the "small wins" of growing just a little bit braver. Young children and their parents will revel in the encouraging text and the vintage screen-print-style illustrations. Praise for I Am So Brave STARRED REVIEWS "Gillingham's distinctive graphics, with their weathered retro aesthetic, and consistent positive reinforcement throughout make this outing another winner." --Publishers Weekly, starred review "A comforting celebration of everyday courage with lots of charm to boot." --Kirkus Reviews, starred review "Cheery and empowering, this simple story should resonate with tots everywhere." --Booklist Award: NAPPA Honors Winner

NEW YORK TIMES BESTSELLER "In her book, Melinda tells the stories of the inspiring people she's met through her work all over the world, digs into the data, and powerfully illustrates issues that need our attention—from child marriage to gender inequity in the workplace." "President Barack Obama "The Moment of Lift is an urgent call to courage. It changed how I think about myself, my family, my work, and what's possible in the world. Melinda weaves together vulnerable, brave storytelling and compelling data to make this one of those rare books that you carry in your heart and mind long after the last page." " Brené Brown, Ph.D., author of the New York Times #1 bestseller Dare to Lead "Melinda Gates has spent many years working with women around the world. This book is an urgent manifesto for an equal society where women are valued and recognized in all spheres of life. Most of all, it is a call for unity, inclusion and connection. We need this message more than ever." " Malala Yousafzai "Melinda Gates's book is a lesson in listening. A powerful, poignant, and ultimately humble call to arms." " Tara Westover, author of the New York Times #1 bestseller Educated A debut from Melinda Gates, a timely and necessary call to action for women's empowerment. "How can we summon a moment of lift for human beings " and especially for women? Because when you lift up women, you lift up humanity." For the last twenty years, Melinda Gates has been on a mission to find solutions for people with the most urgent needs, wherever they live. Throughout this journey, one thing has become increasingly clear to her: If you want to lift a society up, you need to stop keeping women down. In this moving and compelling book, Melinda shares lessons she's learned from the inspiring people she's met during her work and travels around the world. As she writes in the introduction, "That is why I had to write this book—to share the stories of people who have given focus and urgency to my life. I want all of us to see ways we can lift women up where we live." Melinda's unforgettable narrative is backed by startling data as she presents the issues that most need our attention—from child marriage to lack of access to contraceptives to gender inequity in the workplace. And, for the first time, she writes about her personal life and the road to equality in her own marriage. Throughout, she shows how there has never been more opportunity to change the world—and ourselves. Writing with emotion, candor, and grace, she introduces us to remarkable women and shows the power of connecting with one another. When we lift others up, they lift us up, too.

Celebrate the joys of learning to share in this exuberant board book from the Empowerment series! I kept snacks to myself. Now I give some away. Once I hogged the whole swing. Now I let others play. With relevant and charming specifics, Stephen Krensky and Sara Gillingham address the joy we feel from giving back. The Empowerment series addresses the small victories of growing up and starting to embrace the world on your own terms with encouraging text and retro-fresh illustrations. Celebrate the milestones of toddlerhood with the whole series.

Unlock your inner potential with the enneagram. The enneagram, a personality assessment tool with sacred roots, offers an opportunity to improve your life and relationships through self-awareness and understanding of others. Identify your enneagram type -Learn about the defining characteristics of each type -Find out how your personality traits can influence your daily habits and interactions -Discover how to embrace the strengths of your type and overcome your weaknesses -Improve your relationships by deepening your understanding of others

Play the Rules is the self-help book for people who hate self-help books! Offering a colorful mix between the semi-autobiographical, humor and provocative genres and advocating a counter-intuitive approach to life, Play the Rules delivers on its promise by defining its own category. This is a modern success story—an antidote to conventional fairy tales! Standing by what I preach, this book provides the ultimate tips and tricks from a lawyer (myself—indeed defying the stereotype by example!) who got bored with playing by the book and decided to write one instead. Through a no-nonsense, yet unfailingly humorous approach to our everyday messy lives, which are always full of surprises and where the only constant is indeed the unexpected, Play the Rules outlines 33 down-to-earth Rules aimed at challenging our most common stereotypes. Each novel turn (of page and of life) offers a unique chance to stop, rethink our next move and reinvent our own story. Each Rule and Charm directly calls upon the superhero/ine that each of us disguises: our true

selves, awaiting to rise as our champions and take back control of our own lives. My ultimate goal? To reach those who are looking for inspiration to dare to live (not just think) outside the box, and to chase after their dreams! BIO: Dr. Monica Armillotta is a senior corporate lawyer, passionate writer and owner of a lively blog, daring you with a counterintuitive approach to life: Play.therules.club Born in Italy and currently living in Germany, her travels across Europe, Asia and the US offer unspoiled material for her first semi-autobiographical, highly whimsical and defiant book: Play the Rules. Challenging conventional stereotypes and humorously defining herself as a "writer at heart, challenger by nature, and lawyer by profession (and chance)," Monica has worked with major multinational companies as a senior legal advisor and negotiator.

"After years of battling with a school system that did not understand his dyslexia and the shame that accompanied it, renowned activist and entrepreneur Ben Foss is not only open about his dyslexia, he is proud of it. In "The Dyslexia Empowerment Plan" he shares his personal triumphs and failures so that you can learn from his experiences, and provides a three-step approach for success"--

Shares observations on topics ranging from ways to make money off a spouse, to fidelity, neuroses, sex, and death

What do you do if you find yourself suddenly the target of high school aggression, relentless insults, and painful isolation? Such is the dilemma of teenager Alex Rogers in this novel inspired by the real-life trials of the author. [taken from back cover].
