The dramatic and spectacular story of an American music icon—the immortal Tina Turner! From Nutbush, Tennessee, to Hollywood stardom; from Ike ' s Kings of Rhythm to onstage with Mick Jagger and the Stones; and from the lowest lows to the highest highs, Tina Turner has seen it, done it, suffered it, and survived it all. In her monumental bestseller I, Tina—the basis for the Academy Award-nominated motion picture What's Love Got to Do with It—she tells it like it really was . . . and really is. This book is a superstar's honest and intimate account of struggle and pain, love and abuse, glory and tragedy, and one of the greatest comebacks in music history.

Ike and Tina Turner were one of the rock sensations of the Sixties. Then Tina made a solo comeback and is now one of the top female performers on the pop scene. This book tells the story that lies behind her success, from her first taste of stardom and the brutality which forced her to leave Ike and the act, through the years of obscurity to her return to prominence with her bestselling, award-winning album, Private Dancer.

Tina Turner is the Queen of Rock 'n' Roll, a musical icon celebrating her 60th year in the industry. In this dramatic autobiography, she tells the story of a truly remarkable life in the spotlight. From her early years picking cotton in Nutbush, Tennessee to her rise to fame alongside Ike Turner, and finally to her phenomenal success in the 1980s and beyond, Tina candidly examines her personal history, from her darkest hours to her happiest moments and everything in between. Brimming with her trademark blend of strength, energy, heart and soul, My Love Story is a gripping, surprising memoir, as memorable and entertaining as any of her greatest hits.

The autobiography of Ike Turner, as told to Nigel Cawthorne

Dorothy Carvello knows all about the music biz. She was the first female A&R executive at Atlantic Records, and one of the few in the room at RCA and Columbia. But before that, she was secretary to Ahmet Ertegun, Atlantic's infamous president, who signed acts like Aretha Franklin and Led Zeppelin, negotiated distribution deals with Mick Jagger, and added Neil Young to Crosby, Stills & Nash. The stories she tells about the kingmakers of the music biz are outrageous, but it is her sinuous friendship with Ahmet that frames her narrative. He was notoriously abusive, sexually harassing Dorothy on a daily basis. Carvello reveals here how she flipped the script and showed Ertegun and every other man who tried to control her that a woman can be just as willing to do what it takes to get a hit. Never-before-heard stories about artists like Michael Jackson, Madonna, Steven Tyler, Bon Jovi, INXS, Marc Anthony, and many more make this book a must-read for anyone looking for the real stories on what it takes for a woman to make it in a male-dominated industry.

On the surface, Lena Spencer appears to have it all. She and her wealthy husband Randall have two wonderful children, and they live a life of luxury. In reality, however, Lena finds that happiness is elusive. Randall is emotionally distant, her son has developed a drug habit, and her daughter is disgusted by her mother's "overbearing behavior." When Randall decides that he's had enough of marriage counseling, he offers his wife an ultimatum: "Be grateful for all I've done for you or leave." Lena, realizing that money can't solve her problems and that her husband is no longer the man she married, decides to choose the latter. Drawing strength from Tina Turner's life story, SEARCHING FOR TINA TURNER is Lena's struggle to find herself after 25 years of being a wife and mother.

" I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life — the true story of my life. " The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and, therefore, the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in your world, a change in the subjective world that is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to understand the truth, and you will begin this reconditioning, this retooling of your mind — of your thoughts and beliefs — on this subject of my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. — Jesus
