### *Identity and Violence: The Illusion of Destiny by Amartya Sen*

Although most of the rioters shared an economic class identity as poor people, partisans demonized each other with a lethal, singularist "identity of violence," in this instance a diminution of their humanity to religious ethnicity: "The illusion of a uniquely confrontational reality had thoroughly reduced human beings and eclipsed

barbarity we see around us. The illusion of destiny, particularly about some singular identity or other (and their alleged implications), nurtures violence in the world through omissions as well as commissions. We have to see clearly that we have many distinct affiliations and can interact with each other in a great many

cultural, social) are sustained by illusion of a singular identity...

*(PDF) Review of 'Identity and Violence'*

But nothing other than religious identity was allowed to count in the murderous world of singular classification. Sen argues in his new book that conflict and violence are sustained today, no less than in the past, by the illusion of a unique identity.
