John Deere 7400 Tractors For Sale New & Used | Fastline

Hi Kevin, I have a 1994 John Deere 7400. It has 2 of the 300 series 3 detent SCVs. The tractor has low hours. About 3100. The 3 point hitch works perfectly. The speed and power of the SCVs seems fine. The problem is neither of the SCVs will hold a load any longer. Any implement settles under the weight of the implement.
